

ABOUT FOSS

The Licenses for most Software are designed to take away your freedom to share and change it. By Contrast, the GNU- General Public License is intended to guarantee your freedom to share and change free software- to make sure the software is free for all its users.....

When we speak of free software, we are referring to freedom, not price. Our general public licenses are designed to make sure that *you have the freedom* to distribute copies of free software (*and changes for this service if you wish*), that you receive source code or can get it if you want it, that u can change. The software or use pieces of it in new free programs: and that you know you can do these things. Some benefits FOSS are

CALL FOR PAPERS

Interested Graduate and Post Graduate Students of all Engineering Institutions and Technical Universities are invited to submit full length papers on simulation studies of real time issues in communication engineering using following FOSS.

List of Free & Open Source Software:

Python	Logisim	Free CAD
Scilab	Spice	Logisim
4nec2	Ptolemy	Free MAT
MEEP	Alliance	Octave
PUFF	IRSim	ROS
NS2	NGSpice	Keil
GEDA	ImageJ	FLJI

and are not limited to ...

BENEFITS

- Freedom to use, study, modify and distribute a particular software through open source licenses
- No license and maintenance fees for software's.
- Data integrity – No viruses and Promotion of transparency.

ABOUT CENTURION UNIVERSITY PARALAKHEMUNDI

Centurion University comprises of a network of Educational Institutions in Odisha and carries out several social and environmental programmess across Odisha and Andhra Pradesh. Centurion University of Technology and Management was declared as a state university by an Act of the Odisha Legislative Assembly and is recognized by UGC. The University currently includes School of Management, School of Engineering & Technology and School of Vocational Education and Training within its fold. The University also undertakes social, environmental and entrepreneurship development initiatives. Spread over an area of 140 acres, with state of art laboratories, centrally Air Conditioned Seminar Hall. Over 100 teaching and 100 supporting staff imparts high quality Technical Education to over 3500 students. A Central Library has over 40000 volumes and subscribes about 50 International and National Journals in various disciplines with E-Learning facilities. Also each department has its own Department Library. The entire campus is connected by 2mbps leased line. It has 24 hour power backup and mobile connectivity.

ABOUT DEPT. OF ECE

Department of Electronics and Communication Engineering is one of the oldest and best equipped departments of JITM (CUTM) since 1997 and is Accredited by NBA Since 2007. The Department offers UG, PG and PhD programs. The department has excellent infrastructural facilities spread over 6 well equipped Laboratories and dedicated team of Faculty to cater the needs of student community, Research and Development and Industrial Consultancy.

HOW TO REACH

CUTM, Paralakhemundi Campus is located on a picturesque campus in sylvan surroundings. Situated in Paralakhemundi, the district head quarter of Gajapati District. It can be reached both by rail & road. *The nearest railway station Palasa is 30 kms* away. All the trains connecting Howrah to Chennai with the southern part pass through Palasa and have a halt here.
