

**XEROX CENTER**

To keep pace with the increasing demand for photocopying, one xerox centre have been established within the College premises. They facilitate students to have instant photocopies of relevant materials at a nominal rate. The college office is also benefited from time to time by photocopying important documents. The photocopy centres offer a range of services including black-and-white and colour copying, wire/comb binding, lamination etc. Apart from this notebooks, study materials and mobile recharges are also available.
