### **Message**

The 3<sup>rd</sup> Pharm. Tech. IAPST International Conference on “**Molecular Mechanism of Diseases and Novel Therapeutic Approaches**” is going to be organized jointly by the School of Pharmacy and Life Sciences, Centurion University, Bhubaneswar along with Indian Association of Pharmaceutical Scientists and Technologists, on 19<sup>th</sup> January 2019 and 20<sup>th</sup> January 2019 in the School of Pharmacy and Life Sciences, Centurion University, Bhubaneswar, one of the premier University in India.

Science and technology have answered many questions related to the insights and queries on various diseases and have provided the latest therapeutic approaches to combat them. This is the time to share information about the advancements as well as the challenges in the discipline. This is an opportunity for an exchange of idea between congress participants and experts on a timely topic. Our current knowledge will be reviewed by outstanding authorities in the field. Further, the delegates will also have the free access to the commercial exhibition. We are looking forward to renewing acquaintances with our colleagues from around the world as we enjoy the scientific, cultural and historical aspects of this wonderful city, Bhubaneswar.
