

LEARNING BEYOND THE CLASSROOM

SUMMER COURSE: LEARN ENGLISH

MODULE I: BASIC CONVERSATION SKILLS

In this module, we will discuss the importance of English language skills in a variety of contexts. This interactive module will provide the students with the knowledge necessary to begin to identify and describe communicative events in their lives, analyse them, and make choices about meanings and responses in appropriate and effective ways.

| | |
|---|--|
|  | <p>1.1-I.I.Eng: learnlanguagesenglish version 2.0.4: The phrasebook gives a comprehensive mix of practical and social words and phrases. This module is designed to improve the basic conversation skills like essentials, meeting people, transport, restaurant, shopping, bank, travelling and hotels, communications, entertainment and health.</p> |
|  | <p>1.2. The advanced sessions on professional topics will help the learner in Small Talk, Presentations, Job Interviews, Sales Pitch, Customer Service, and Travelling.</p> |
|  | <p>1.3.English Grammar: Spoken English This grammar app aims to equip the students with opening gambits and formulaic expressions like greetings, introducing yourself and others, permissions, using ‘can’, ‘what do you do’, ‘will you’.</p> |
|  | <p>1.4. Learn English module takes the learner from level 1 to level 6, i.e., from listening to speaking. The student is advised to cultivate the habit of listening and reading. This interactive process of teaching/ learning is called for to achieve the skills of effective communication through ‘doing’.</p> |
|  | <p>1.5. The phrase book is very interactive with basic conversational phrases like Basic Greetings in English. The learner can translate a sentence using an internet service, recognize speech using an internet service. It uses an advanced learning technique where short language patterns are read, understood, and pronounced in sequence which quickly builds up the necessary skills to speak proficiently and freely the language of one’s choice.</p> |

MODULE II: COMMUNICATIVE GRAMMAR

The objective of this module is to help the learner acquire better linguistic and communicative competence through accuracy in Grammar and Vocabulary. The teaching of grammar is treated as a diagnostic and remedial activity and integrated with communication practice. The areas of grammar

in which errors are common receive special attention when selecting items for review. The focus is on the difficulty experienced by individual students, and the effort to explore a useful strategy for self-improvement.

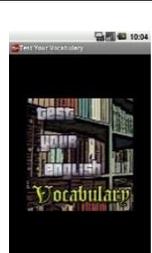

2.1-English Grammar: Grammar app outlines the grammar lessons/rules (subjects, verbs, and objects to direct and reported speech)

2.2. iPractise: This app takes the learner through three stages beginner, Intermediate and advanced to overcome the difficulty in Sentence Completion.

2.3. Easy English Grammar: In this module the learner can master through Practice Grammar by selecting category (23 Sets), Test Grammar to assess the standard, and practise tenses through hard tests (4 Sets).

2.4. Test Your Vocabulary: Word by Meaning, Meaning by Word, Dictionaries, and Search Word. This module will help to learn essential vocabulary and prepare one to score high in competitive exams like TOEFL, GRE, and GMAT. The learner can take tests and improve knowledge. Treatment: Word games/ clusters, cross words, puzzles, one word completions, rapid fire questions (quiz), word usage, finding words closest in meaning, practice exercises and discussions.
