**Fee Payment Policy from 2<sup>nd</sup> year onwards**

The following is the fee payment policy guidelines from 2<sup>nd</sup> year onwards. The university, in keeping with its vision and mission, can relax these in writing in deserving financially deprived students cases.

It is advised that all students should pay the annual fees in full at the start of the session (odd semester). However, for whatever constraints if the student is unable to pay the fees in full, then the payment schedule is as outlined below.

Mess, Hostel and transport fees in full should be paid before/at the start of the session (odd semester). 50% of Academic fees should be paid before the session starts. Registration in ERP will be done only after payment of the dues. **Important:** Therefore this may lead to shortage of attendance.

Remaining 50% of Academic fees to be paid in full within a week of the start of the even semester. If not paid before the odd semester exam, then results will be withheld. Results will be declared within 15 days of the full dues being cleared.

Delayed payment will attract penalty.
