

## CLASSROOM MANAGEMENT TOOLS

Date: From 7 June to 8 June

Resource Person: Kalapoorna Nalla (Co-ordinator of Center for EduTech and SkillsTech, a Google Certified Educator)

No. of Faculty Participated: 89

### About the Session:

It is always a challenge for educators to make their classes interesting and motivating. The faculty development programme was organized by Center for EduTech and SkillsTech in collaboration with Center for Innovation and Entrepreneurship and Center for Governance and Sustainable Societies. The programme was organized to make the faculty aware of the tools that can be used in higher education for making the classes more interactive and engaging.

The resource person demonstrated three tools namely Padlet, Wakelet and Flipgrid.

The programme was conducted for two days and the participants had a lot of takeaways from the sessions. They particularly felt Wakelet and Flipgrid useful and stated that they would be using the tools in their classrooms.

### Objectives:

- To introduce tech tools to make classes motivating and interesting
- To enhance classroom interaction through the introduction of simple online tools

### Outcomes:

The participants were enthusiastic in using the tools after their hands on learning of the tools in the two days. They found the tools to be effective and user friendly making the pedagogy more student-centered.
