- The nomenclature of the programme M.Sc. Geoinformatics can be changed to MS Geoinformatics
 - Academic Bank of Credits will be followed, hence articulation of credits will be required. Hence, Articulation Committee will be needed in future.
 - Appreciated the steps taken by university in quickly adapting to online mode and conduct of the end semester examinations.
 - Appreciated the Skills focus in the curriculum and the industry collaborations for different programmes.
 - Appreciated the Interdisciplinary Domain approach as the National Education Policy suggests there should be no silos.
 - Will be good to collaborate with International Universities with one semester for the students to be taught there.

Meeting ended with vote of thanks extended by Prof. Anita Patra, Registrar, CUTM.

All the members were extended invitation for the 9th Convocation 2021.
