

Centurion University Technology and Management

Workshop on Basketball, BBSR

Date: 12-11-2019 to 13-11-2019

Resource Person: Mr. Rabi Narayan Routray

Number of Participants: 69

Venue: BasketBall Court

About Resource Person: Rabi Routray is a Director Sports at Centurion University of Technology and Management, Odisha, India.

About the Session

In this session it was discussed that Basketball at college levels developed from a structured, rigid game in the early days to one that is often fast-paced and high-scoring. Individual skills improved markedly, and, although basketball continued to be regarded as the ultimate team game, individualistic, one-on-one performers came to be not only accepted but used as an effective means of winning games.

Objective

- Guideline, rules and regulation of game
- Uniform guideline
- Equipment required
- Interest and fitness to learn Basketball

Outcome

Variations of basketball are activities based on the game of basketball, using common basketball skills and equipment (primarily the ball and basket). Some variations only have superficial rule changes, while others are distinct games with varying degrees of influence from basketball. Other variations include children's games, contests or activities meant to help players reinforce skills.

Workshop on Basketball
