

# Vehicle Designing & Manufacturing

## WORKSHOP

Date: 15-11-2019 to 16-11-2019

### Resource Person

Mr. Sibashis Maity

Managing Director, MSME Tool Room

No. of Students and/or Faculty Participated: 140

### About Resource person:

Mr. Sibashis Maity, is a Managing Director of MSME Technologies Tool room at Centurion University of Technology and Management, Odisha, India.

### About the workshop:

The functional design and development of a modern motor vehicle is typically done by a large team from many different disciplines also included within automotive engineering, however, design roles are not associated with requirements for professional- or chartered-engineer qualifications. Automotive design in this context focuses primarily on developing the visual appearance or aesthetics of vehicles, while also becoming involved in the creation of product concepts.

**Objective:** The workshop has helped the students interested in the field of automotive design to get more knowledge from the core root level as well as practically.

Outcome; Students learn about designing and developing a new vehicle, Computer aided design, Clay modelling, Colour trim and vehicle graphics.
