

**Workshop  
on**

**Induction for Sanitation Experts (SBM-Urban)**

**Resource person**  
Mr. G M Patanaik

**Date: 16<sup>th</sup> August 2018**

**Number of Participants:21**

**About the Resource Person:**

Mr Patnaik has about 35 years of experience in the area of Human Resource Management / Human Resource Development including training in industry and educational institutions. Presently, he is associated with the Centurion University, Bhubaneswar as a Trainer / Advisor / Consultant. As a free-lancer, he is also associated with other NGOs / Development Organisations in Odisha as a Corporate Trainer and Management Consultant. Prior to this, he worked as Deputy General Manager (Corporate HR) at National Dairy Development Board (NDDDB), (a Govt. of India statutory, autonomous and corporate organisation and part of AMUL group of institutions) for about 24 years (1983 to 2007) which includes Institute of Rural Management Anand (IRMA), Rajasthan Cooperative Dairy Federation (RCDF), Jaipur. Post-NDDDB, he also worked as Head (HR) at KIIT University, Bhubaneswar for about three years.

**About the workshop:**

The definition of sanitation is the process of maintaining cleanliness and dealing with sewage. An example of sanitation is the city department that makes sure trash is disposed of properly. Drainage and disposal of sewage. The hygienic disposal or recycling of waste.

**Objectives:**

- To make India free of open defecation within five years, till 2nd October 2019.
- To construct 90 million toilets in rural areas at an estimated cost of Rs 1.96 lakh crore.
- To encourage private sectors for making capital expenditure in the project or into the operational and maintenance cost.
- To convert unsanitary toilets into the toilets with flush.
- To tell people how sanitation is linked to their overall health and happiness.

- To encourage and acknowledge new technological innovation in the field of sanitation or cleanliness.

**Outcomes:**

- Improving the quality of life in rural areas through cleanliness and personal hygiene.
- Create awareness among communities towards sanitation and cleanliness.
- Bring about behavioral changes in the people towards sanitation and hygiene.
- Motivating the communities for adopting a proper sanitation model for better health and life.
