WEBINAR

On

"VIDEO EDITING"

Date: From 28 June to 30 June, 2021

Resource Person:

Ambika Sankar Mishra & Chinu Bohidar

No. of Faculty Participated: 45

About the Session:

The webinar was organized by Center for EduTech and SkillsTech in collaboration with Center for Innovation and Entrepreneurship and Center for Governance and Sustainable Societies. The programme was organized to make the faculty aware of simple Video Editing tool, Video Pad, to create videos to grab attention of the students as it helps in explain concepts through effective videos. The importance of script and the background along with the content was explained and elucidated. Video pad is a video editing app/tool. The app may also be used when creating courses.

The programme was conducted for 3 days and the participants had a lot of takeaways from the sessions. They found the app useful and stated that they would be using the tools in their classrooms.

Objectives:

- To learn how to enhance video lectures
- To learn how to create videos using various clips and shots with a voice over
- To understand layers
- To learn to use effects

Outcomes:

The participants were extremely enthusiastic in learning the usage of the tool. They learnt how to not only give a voice over but also to add background music and thus create layers in their videos.
