Detailed report of the activity:

First International Hybrid Poster Presentation on GIS Day 2021, being organized by Department of Civil Engineering and Centre For Data Science & Machine Learning of Centurion University of Technology & Management, Odisha, supported by ESRI, India, Pvt. Ltd., is an annual get together of Scientists, Researchers, Academicians, Practicing Engineers and Students all over the world mainly focussing on state-of-the-art technologies and applied research in the field of Geographical Information System (GIS), Remote Sensing and its beyond.

Centurion University of Technology & Management is the first multi sector private university in Odisha, established through an act of state legislative assembly in 2010 and duly recognized by UGC. The core objective of the University is to 'Shape Lives and Empower Communities', creating wealth and livelihood opportunities for the underprivileged. Besides, Esri, the global market leader in GIS software was founded in 1969 in USA. Esri software is deployed in more than 350,000 organizations globally and in over 200,000 institutions in all over the world.

It is our proud privilege to welcome you all to this renowned International Event. Despite the current pandemic situations throughout the globe, more than 200 abstracts of the papers have been received and after thorough scrutinize, about 58 abstracts have been finally accepted. Four eminent speakers of high expertise from the nation and around delivered their expertise and knowledge in the emerging field of GIS and Remote Sensing.

The GIS Day Poster Presentation proceeding contains peer-reviewed technical abstracts covering a wide spectrum of research studies, experimental outputs, case studies related to the GIS and Remote Sensing. We are indeed happy to bring the Souvenir containing abstracts of the Keynotes and Invited talks along with the quality technical papers selected for the presentation on this occasion. We take this opportunity to express our sincere thanks and gratitude to all members of the Advisory Committee as well as the Organizing Committee along with student volunteers, authors, and reviewers.

We appreciate the untiring efforts of GIS Day organizers, generous support from ESRI, continuous guidance, and encouragement from all academic and research institutions. We strongly hope that the deliberations and discussions at the GIS Day International Poster presentation will promote useful and fruitful interactions among participants and thus help professionals working in the field of GIS, Remote Sensing applications and its beyond.

Looking forward to fruitful deliberations in the GIS Day 2021 Poster Presentation in hybrid mode
