### Webinar on

### **SUCCESS AND FAILURE STORIES OF ENTREPRENEURS**

Date: From 24/12/2021 to 24/01/2021

**Resource Person Details:** Mr. Sumit Srivastava, Founder and CEO, Chaupal-Incubator and Angel network

No. of Students and/or Faculty Participated: 37

**Objective:** The main objective of this program was to make the participants familiar with the entrepreneurship world and to motivate them by sharing entrepreneurial stories.

#### **Speaker profile:**

Sumit Srivastava is a computer science graduate and an MBA with more than a decade of experience. He is the Founder & CEO of Startup Chaupal (Incubator & Angel Network) which has a strong network of Mentors and Investors from different parts of the globe to train entrepreneurial mindset at the grassroots level and handhold them from Ideation to Execution to Funding. Multiple startups are incubated and working from across India with him under his supervision and guidance where he is nurturing them through his initiative. He has been hand-holding with promising entrepreneurs, not as a mentor, rather as a team member, and in order to make it more conducive, he has joined hands with Multiple Ventures from the ecosystem and has invested in a few startups. With the aim of connecting the ecosystem of the country, he has always believed it's not about how many shares of the pie you own, it's about how big the pie is.

**Detailed report of the activity:** Students and faculty members attended the big shot 'Webinar on Success and Failure Stories of Entrepreneurs' held on 24th of December, 2021. Risk and failure are realities for entrepreneurs and any growth-minded individual must take this into account from the moment they decide to start in the business world. The key speaker started with focusing on this point and then discussed the current trends in entrepreneurship in our country. He also discussed the government policies towards entrepreneurship and the funding facilities provided by government and private institutions. The real stories about entrepreneurs impressed the students and motivated them to enter into the entrepreneurship world.

**Outcome:** This program helped the participants in knowing about how to move ahead by overcoming the obstacles faced by an entrepreneur.
