

## State level event on "Declining child sex ratio' .

**Date – 29/12/2017**

As we were aware that in spite of the initiatives taken by Government, NGOs, other activist groups and individuals against declining child sex ratio, the trend was still going towards worse. The gender biased sex selection had become a common incidence among the people.

For creating awareness on the above issue, there was a "State level event on Declining child sex ratio" on 29th December 2017 at "Institute of Engineers" organized by Centre for Action Research and Documentation (CARD) and CSaR, CARD working since last 28 years in Odisha and their major focus is promoting women and child right. There was an awareness rally to sensitize the public at 10 AM from Master Canteen square to Institute of Engineers and followed by meeting from 11 AM to 2 PM on the theme

"KANYA EK UJJWAL TARAKA BANCHIBAKU DELE CHUINB AAKASH".

For the above purpose, the attached list of Centurions participated. Thank you and Congratulations to all of them. The respective faculties were requested to mark the students attendance for that day.

## **"Creating awareness about Traffic Rules"**

Date – 17/09/2017

As you are aware that there is great importance of traffic rules for the safety of everyone. Traffic Police, Drivers, and Pedestrians play a vital role in ensuring road safety. With traffic violation on the rise, all over India, especially in metropolitan cities, thousands of people are killed and thousands of people are seriously injured every year in traffic accidents. Our state particularly the capital-cum-smart city Bhubaneswar has been seriously affected by this problem and creating panic situation among the public.

In the prevailing situation for the prevention and control of the problem, it is high time to create mass awareness among the general public. Therefore, we Centurions decided to have a public traffic awareness campaign organized by TEAM NSS CUTM at different major traffic locations of Bhubaneswar on 1st September from 9-11 AM in association with Commissionerate Police, Bhubaneswar and Lions Club International.

Agenda of the campaign:

- Distribution of pamphlets on traffic awareness
- Pasting traffic awareness stickers on 2-wheelers and 4-wheelers
- Displaying banners on traffic awareness at different traffic locations
- Educating people about the new traffic rules & penalties (please find attached the new penalty details for traffic violation)

For the above, we needed dedicated student volunteers to be part of this. The interested students were advised to register their details with the student coordinator Rati Ranjan Routray @ 9437773607 by 5 PM of 30th August 2017.

Transportation was provided to & from campus. All student volunteers got a T-Shirt, Cap, and Refreshment during the campaign. Interested staff/faculty members were requested to express their interest in joining us by sending a reply mail to this mail by 30th Aug.

## **STUDENT AWARENESS ON WORLD KINDNESS DAY**

World Kindness Day is observed on 13th November every year. It was started from the year 1998. World Kindness Day is to highlight good deeds in the community focusing on the positive power and the common thread of kindness which binds us. Kindness is a fundamental part of the human condition which bridges the divides of race religion, politics, gender and zip codes.

We had celebrated the World Kindness Day at our campus with the people who really care for us. This was an ongoing effort of ours to bridge the gaps between all stakeholders of CUTM family, if there is any. These were the people who provide us a CLEAN (Housekeeping staff), GREEN (Green brigade), SAFE (Transport staff), BETTER (Maintenance staff) & SECURE (Security staff) workplace as per the following schedule.

Date: 13.11.17

Time: 4 PM

Venue: Madhusudan building seminar hall

A total of 100+ members were present during the celebration organized by Team YRC. All the staff members were greeted by the CSR Student Core Coordinators with a Specially made Greetings-cum-Thanks card for them (copy attached with the mail).

Mr. Sam Crotty (RMIT, Australia) and his team along with CSR Coordinators interacted with all the members present. Some of the members also performed and shared their views (sample videos attached with the mail).

Then Prof. Jagannath Padhi, Director-BBSR Campus joined us in thanking all of them for all their contributions in making Centurion University as it is now. Some of student coordinators also shared their feelings of the contributions of these people.

Program ended with the thanking note by Dr. Sangram Keshari Swain. Finally at the end, sweets were distributed to all the members present during the occasion. Really it gave us pleasure looking at the smiling faces.

## **Organ and Body Donation Initiative: An awareness programme**

Dr- 21st January 2018

We were going to start Organ and Body Donation Initiative in our University followed by Awareness Program and Participation event. Kindly go through the following to understand why Organ and Body Donation is required.

### **Body Donation**

All over the world, Customs and rituals differ from one region to another. Accordingly, some people after death bury the body of their relatives or burn it up. There are religious groups those who feed the body of the deceased to vultures and crows. But Human body even after death is also valuable. It is precious to the students and scholars those who study human anatomy in Medical Colleges.

There are people who have understood the importance of the body after death and they have opted for Body Donation. Anyone who wants to be a Body Donor may sign in a willingness form to become a Body Donor. The Body Donation papers are handed over to nearest Medical Colleges so that when the Dead Body reaches the Anatomy department, they accept the cadaver without hassle. Of course policy and procedures vary from state to state.

### **Organ Donation**

Lakhs of people are waiting in our country with a hope of getting one organ or other as donation to live a life. To curb organ trade and to encourage organ donation after brain death, the government enacted a law called "The Transplantation of Human Organs Act" in 1994 that brought about a significant change in the organ donation and transplantation scene in India. Many Indian states have adopted the law and further amendments have also taken place. As per law, one who has consented for Organ Donation is eligible to donate organ after brain death.

### **About the Initiative**

BODY AND ORGAN DONATION INITIATIVE is a campaign to educate people on body and organ donation and develop a general awareness on it. The initiative aims at developing infrastructure for organ transplantation and cadaver preservation through public private partnership.

**FIG: Students , staff and parents participating in Organ and Body Donation Initiative, Awareness & Guinness World Record**

The campaign with the acronym BODI being laid by social activist Dr.Pravas Acharya, associated with all the medical colleges of Odisha but the geographic area of operation extends to the whole of India. This is a charitable organization working for betterment of humanity.

For the above social cause Centurion University has joined hands with BODI.

## **Students Participation in Jagriti Yatra**

Date -20th July 2017

Both the organization, Jagriti Yatra and Coca-Cola have once again come together to offer a platform to the aspiring entrepreneurs across various districts of India. Sustainability has always been among the prime topics discussed across the new enterprises when growth becomes a concern. Sustainable Enterprise Award is an opportunity for entrepreneurs across 25 districts of India, having enterprises in any one of the following fields: agriculture, water, and recycling.

The interested candidates registered themselves on the portal [jagritiyatra.org/SEA](http://jagritiyatra.org/SEA), and submitted their ideas. The shortlisted candidates were called for the final round in New Delhi, and the winners were awarded a cash prize of 3.5lacs (1st-2lakh, 2nd-1lakh, 3rd-50k) along with mentorship by Jagriti. Each of 30 districts will get to witness an awareness camp which was organized by JADEs' in those districts with the organization's help.

We looked forward to have new ideas in the sector of water, agriculture and recycling for "Sustainable Enterprise Award -2017".

### **Community Mobilization on Organic farming**

DT-23<sup>rd</sup> -24<sup>th</sup> November 2017

Community mobilization is the process of bringing together as many stakeholders as possible to raise people's awareness of and demand for a particular programme, to assist in the delivery of resources and services, and to strengthen community participation for sustainability and self-reliance. A lot can be achieved when people from different parts of the community share a common goal and actively participate in both identifying needs and being part of the solution. Community mobilization helps to enable and initiate and control their own development. Organic farming is a farming system that uses environmentally friendly methods of weed, pest, and disease control.

Community Mobilization programmes on organic farming were organized by team CSaR and NSS at various sites (Barlanda, Agarakhandi, Ankudu, Biranarayanpur, Badagosani, Tanakul, Jangjangal, Ragaijho). There was an active participation of around 182 students which led to the successful completion of the event.

## Gender Sensitization Programme for the rural areas.

DT- 23/11/2017

UGC Guidelines for Gender Champions

### 1. Introduction

Gender socialization of both boys and girls begins early, and it is important to initiate change process at a young age to shape attitudes and transform behaviors. Schools and Colleges play a major role in this regard because students spend large amounts of time engaged with peers in such settings. Creating social norms in educational institutions that value girl and their rights are important to improve the well-being of girls and achieve a long-term and sustainable social change.

India is home to around 232 million individuals aged 15-24 years, who account for 19.15% of the country's population. Engaging with these young boys and girls is crucial to help them critically access notions of masculinity and question prevailing gender inequalities. We need to tap into the goodness and sense of justice of these young boys and girls and give them tools for maintaining those gifts as they encounter people and experiences that are different from their own. We need to engage with these boys and girls to challenge and shift gender norms that contribute to girls and women having less worth, opportunities and decision-making ability than boys and men.

In order to promote gender equality, guaranteed by Article 15 of the Indian Constitution, We need to change the mode of interaction at all levels- home, school, workplace and so on.
