Dear Sir,

Greetings from Clarivate!

As rightly mentioned by you, not only is ESS price not applicable for any standalone institutes moreover it provides access to only our flagship indices of Science Citation Index Expanded (SCIE), Social Science Citation Index (SSCI) and Arts and Humanities Citation Index (AHCI) whereas the Web of Science Core Collection provides access Emerging Sources Citation Index, Conference Proceedings Citation Index and Books Citation Index also.

We have reviewed your request regarding the price and ask you to consider the option of single site/campus license with 20 years rolling access to backfiles. Kindly, review the same at your end let us know.

Dear Kaushik,

Greetings of the day !!!

As per ESS Negotiated Rates for 2022:

For Core E Shodh Sindhu Members\*

Perpetual Access : \$11,899.00

Leased Access : \$11,899.00

\* Perpetual access for current year/Leased access to 20 years rolling back-files access

GST Extra

I understand that this price is not applicable for Private universities but the price you have quoted is too high also.

So hereby I request you to reconsider the price around 20 lakhs below with GST. Otherwise it will be out of our budget and the Management will not agree. So the aim will not be successful in both cases.

Attached please find the ESS details for your kind information.

Thanks & Regards
