Report for Chemistry_JAM

JAM COACHING 2021-22

(SoAS, Department of Chemistry)

Name of the facilitator – Dr Pratap K. Chhotaray, Dr. Ashish Kumar Sahoo, and Dr. Srikanta Sahu,
Asst. Prof. SoAS, CUTM.

Date: - 30th Sept 2021 to 30th Nov. 2021

Department of Chemistry, SoAS has conducted JAM coaching for BSc students from dated 30th Sept 2021. In this event, the faculties have taught Physical, Inorganic and Organic Chemistry according to the available JAM syllabus during that period. Classes were conducted three days in each week for three hours in which about 20 students were enrolled with kin participation. The teachers were delighted to see the participation of students who are contributing to class discussions significantly.

The concepts were explained from basics to advanced level along with solved problems. Many students benefitted from this discussion which was reflected in their performance in weekly tests.
