F. No.1(9)/2012-ExamCell

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Schedule for online counseling:

The candidate may please note that the online counselling portal will be available for registration, choice filling and saving the choices as per schedule. The candidate is advised to carefully go through the major steps involved in Online Counselling enclosed with this letter.

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

F. No.1(9)/2012-ExamCell

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Schedule for online counseling:

The candidate may please note that the online counselling portal will be available for registration, choice filling and saving the choices as per schedule. The candidate is advised to carefully go through the major steps involved in Online Counselling enclosed with this letter.

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Schedule for online counseling:

The candidate may please note that the online counselling portal will be available for registration, choice filling and saving the choices as per schedule. The candidate is advised to carefully go through the major steps involved in Online Counselling enclosed with this letter.

Your original certificates may be required to be deposited with the Registrar at the time of physical reporting after completion of counseling. In case of non-reporting due to any reason(s) at any stage, the candidate will lose claim for admission and no correspondence shall be entertained by the Council in this regard.

No claim or compensation for problems (if any) encountered or cost incurred in counselling/admission will be entertained by the ICAR/ Universities.

Ragging in the Universities, in any form, is a criminal offence and has been strictly banned.

Please note that this letter is for information to invite the candidates for online Counselling and does not, in any way, guarantee the admission.

The candidate is advised to remain in touch with ICAR's website for any change in Counseling schedule/Notices/Circulars. For any technical assistance related to counseling, the candidate may approach the HelpDesk Menu on the homepage of ICAR Counseling Portal (www.icarexam.net). Helpline Phone Nos. shall also be available on the HelpDesk Menu. (Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

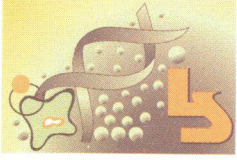

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

Management Aptitude Test and Test Scores

- 1 The Management Aptitude Test (MAT) is designed to measure the aptitude of a candidate for pursuing management education and should be used only for this purpose.
- 2 MAT is administered in five sections-Language Comprehension, Mathematical Skills, Data Analysis & Sufficiency, Intelligence & Critical Reasoning and Indian & Global Environment-each section testing a different ability relevant for management education.
- 3 All MAT administrations necessarily have different questions. Thus one administration may be slightly more difficult or less difficult than another. Scaling has been used to take care of these differences.
- 4 The scaled scores reported are standardised scores for respective sections. These scores are reported on a scale of 0 to 100. Extreme scores (below 15 or above 85) are rare.
- 5 The percentile below column indicates the percentage of candidates in the test who scored below that of the candidate in the section.
- 6 The Composite score is an overall scaled score based on the first four sections of MAT. This is reported on a scale of 199 to 801.
- 7 The percentile below for the Composite Score represents the percentage of candidates whose composite scores are below the candidate's. The composite score has a validity period of one year.
- 8 All scores and percentile below figures are reported after rounding off to the nearest whole number.
- 9 Personal data is as reported by the candidate.

F. No.1(9)/2012-ExamCell

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Schedule for online counseling:

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2020 held on 23rd September, 2020.

Dear candidate,

Based on the result of the ICAR's 25th All India Entrance Examination [AIEEA(PG)-2020], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2020-21, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2020 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PC candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2020 Information Bulletin (IB) available on NTA website (www.icar.nta.nic.in) and online counseling brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2020, and the requirements contained therein.

The candidate should note that having 4/5 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2020 except at IARI and NDRI in few courses.

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2020 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that ***the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2020 along with mentioning the likely date of issuance of PDC/Degree to the candidate***".

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from private agricultural colleges/universities not accredited by ICAR, even though affiliated to public funded/Govt. institutions, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG)-2020 examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2020 before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2020 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and SRF courses through AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PWD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions submission of PDC is relaxed till 31-12-2020 subject to submission of a certificate from Registrar of the University from where the PDC is pending.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non refundable but as per UGC guidelines, a candidate will get 100% refund if requested till 30-11-2020. If refund is requested till 31-12-2020 then there MAY BE a deduction of maximum of Rs 1,000. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.

This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-.** In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Qualifying in GATE 2020 does not guarantee either an admission to a post-graduate programme or a scholarship/assistantship. Admitting institutes may conduct further tests or interviews for final selection.

In the GATE 2020, the qualifying marks for a general category candidate in each paper is $\mu + \sigma$ or 25 marks (out of 100), whichever is greater, where μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper. The qualifying marks for OBC(NCL) and SC/ST/PwD candidates are 90% and two-third of a general category candidate in the paper respectively.

The GATE 2020 score was calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where

M is marks (out of 100) obtained by the candidate in the paper

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is greater) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In multi-session (Civil Engineering and Mechanical Engineering) papers, the normalized mark of j^{th} candidate in the i^{th} session \hat{M}_{ij} was computed using the formula

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^g$$

where

M_{ij} is the actual marks obtained by the j^{th} candidate in i^{th} session

\bar{M}_t^g is the average marks of the top 0.1% of the candidates considering all sessions

M_q^g is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions

\bar{M}_{ti} is the average marks of the top 0.1% of the candidates in the i^{th} session

M_{iq} is the sum of the mean marks and standard deviation of the i^{th} session

Graduate Aptitude Test in Engineering (GATE) 2020 was organised by Indian Institute of Technology Delhi on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2020 held on 23rd September, 2020.

Dear candidate,

Based on the result of the ICAR's 25th All India Entrance Examination [AIEEA(PG)-2020], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2020-21, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2020 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PC candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2020 Information Bulletin (IB) available on NTA website (www.icar.nta.nic.in) and online counseling brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2020, and the requirements contained therein.

The candidate should note that having 4/5 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2020 except at IARI and NDRI in few courses.

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2020 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that ***the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2020 along with mentioning the likely date of issuance of PDC/Degree to the candidate***”.

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from private agricultural colleges/universities not accredited by ICAR, even though affiliated to public funded/Govt. institutions, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG)-2020 examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2020 before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. (Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and SRF courses through AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PWD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions submission of PDC is relaxed till 31-12-2020 subject to submission of a certificate from Registrar of the University from where the PDC is pending.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non refundable but as per UGC guidelines, a candidate will get 100% refund if requested till 30-11-2020. If refund is requested till 31-12-2020 then there MAY BE a deduction of maximum of Rs 1,000. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.

Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e. candidates CANNOT change the order of their choices OR add any more course in OR delete any course from their choice list after the deadline for choice filling.

SEAT ALLOTMENT AND UPGRADATION

On the date of allotment, candidate's choices, his/her merit, score, qualification, domicile, category, sub-category, last University in which studied and seat matrix will be processed together and seat will be allotted following the reservation rules of Gol. Candidate will be allotted one of his/her desired accredited University/Course. Allocation of an accredited college within the University allotted shall be done by the University itself. It does not come under the scope of this counselling.

↓
Candidate should download his/her provisional allotment letter mentioning the Course/University allotted and the date on which he/she has to report at the allotted University along with all listed documents. Candidate will also be sent this intimation through SMS and email.

↓
All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to report at the allotted University within the prescribed date and time failing which their allotment will be cancelled.

↓
Upon reporting at the allotted University, the candidate has to produce all the relevant original documents to the University officials for verification. University may refuse admission if the listed documents are not found in order or the candidate is found ineligible for admission.

↓
The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓
Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

↓
Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for

sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd...

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

It does not come under the scope of this counselling.

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

↓

The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Candidate should download his/her provisional allotment letter mentioning the Course/University allotted and the date on which he/she has to report at the allotted University along with all listed documents. Candidate will also be sent this intimation through SMS and email.

↓

All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to report at the allotted University within the prescribed date and time failing which their allotment will be cancelled.

↓

Upon reporting at the allotted University, the candidate has to produce all the relevant original documents to the University officials for verification. University may refuse admission if the listed documents are not found in order or the candidate is found ineligible for admission.

↓

The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

[The AIEEA (PG) and AICE-JRF/SRF(PGS) candidates who had not updated the details of their qualifying examination marks on the NTA website within the stipulated period and whose status of qualifying examination is still 'Appearing' are not eligible to participate in the counseling].

ONLINE CHOICE FILLING (AS PER DECLARED SCHEDULE)

Candidates found eligible for counseling will be sent Username and Password through email and/or SMS on the registered email ID/Mobile No.

Candidate should visit the website <https://icar.org.in> or www.icarexam.net and login using the Username and Password.

Payment of one-time NON-REFUNDABLE Registration fee (Rs 400/-) through Online payment gateway.

Selection of preferred Course and the University (from drop down menu) one by one with preference change facility.

(Candidates must ensure that all the eligibility conditions, as specified in the AIEEA (UG)/AIEEA (PG)/AICE-JRF/SRF(PGS)-2019 Information Bulletin available on NTA website (www.ntaicar.nic.in or www.nta.ac.in) are fulfilled in toto including completion of degree, OGPA/percentage marks scored in the qualifying examination, etc.)

Choice filling will be permitted only once. For subsequent round(s) of counselling, allotment will be done on the basis of same choices (If the candidate has not been allotted any seat till then.)

For UG only those course(s) will be displayed for which the candidate is eligible. For PG, only those Sub-subjects under a Major Subject Group will be displayed for which the candidate is eligible.
For Ph.D., only the Major Subject Group and the Sub-subject (opted at the time of online application) will be displayed.

[Seats in Dairy Chemistry (Code 8.1) and Fish Nutrition & Feed Technology (Code 11.4) Sub-subjects have not been received in the Council from any of the accredited universities. Though the scores of such candidates have been prepared by NTA, however, they are not being considered for the counseling. The Council will not be held responsible to give admission to the candidates who have

qualified in these sub-subjects as already notified [(Pl. refer to Item 2.2 of AICE-JRF/SRF(PGS)-2019 Information Bulletin)]

↓

Only those accredited Universities will be displayed where the desired courses run. However, candidate should cross-check the same from the concerned University.

↓

Candidate should fill maximum number of choices but give utmost importance to the preference/order/serial number of his/her choices as this will be an important criterion for seat allotment.

↓

Candidates MUST “lock” their choices on/before the last day of choice filling. If candidates do NOT lock their choices, last saved choices will be locked automatically upon reaching the deadline for choice filling. Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e. candidates CANNOT change the order of their choices OR add any more course in OR delete any course from their choice list after the deadline for choice filling.

SEAT ALLOTMENT AND UPGRADATION

On the date of allotment, candidate's choices, his/her merit, score, qualification, domicile, category, sub-category, last University in which studied and seat matrix will be processed together and seat will be allotted following the reservation rules of Gol. Candidate will be allotted one of his/her desired accredited University/Course. Allocation of an accredited college within the University allotted shall be done by the University itself. It does not come under the scope of this counselling.

↓

Candidate should download his/her provisional allotment letter mentioning the Course/University allotted and the date on which he/she has to report at the allotted University along with all listed documents. Candidate will also be sent this intimation through SMS and email.

↓

All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to report at the allotted University within the prescribed date and time failing which their allotment will be cancelled.

↓

Upon reporting at the allotted University, the candidate has to produce all the relevant original documents to the University officials for verification. University may refuse admission if the listed documents are not found in order or the candidate is found ineligible for admission.

↓

The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Dated:16/11/2021

Subject: Online Counselling for admission to Master's degree programmes through AIEEA (PG)-2021 held on 17th September, 2021.

Dear candidate,

Based on the result of the ICAR's 26th All India Entrance Examination [AIEEA(PG)-2021], for admission to Master degree programmes in agriculture and allied sciences on 25% seats in accredited State Agricultural Universities (SAUs), CAU, Imphal, BHU, Varanasi, AMU Aligarh, SASARD, Nagaland University and 100% seats at IARI, IVRI, NDRI, CIFE, RLB CAU Jhansi and Dr. RPCAU Pusa, Bihar in the Academic Session 2021-22, this is to inform that **you have been found eligible to register (online) for choice filling.** Based on Online Counseling in the subject of your choice, you are likely to be recommended for admission to an accredited subject and College in an accredited University. This will, however be subject to fulfilling of the prescribed eligibility requirements as stipulated in the AIEEA (PG)-2021 Information Bulletin available at www.icar.nta.nic.in and Online Counseling Brochure available at www.icarexam.net. This will also depend upon the availability of seats at your merit rank and category and verification of documents by the officials of admitting University at the time of counseling and your physical reporting at the finally allotted university for registration/attending the classes or as per the requirements of admitting university. Subject to meeting of prescribed eligibility criteria of UR (Unreserved) category, the SC/ST/Gen-EWS/UPS/OBC/PwD candidates may be allotted seat against the UR category.

Before registering for choice filling, you must ensure that all the eligibility conditions, as specified in the AIEEA (PG)-2021 Information Bulletin (IB) available on NTA website (www.icar.nta.ac.in) and Online Counseling Brochure are fulfilled in toto including completion of the degree, OGPA/percentage marks scored in Bachelor's Degree examination, etc. (Where OGPA is awarded, equivalence between OGPA and % marks will not be acceptable).

Please note that ICAR/Universities will NOT be held responsible for denial of admission to non-eligible candidates. The candidate is advised to read the IB in detail and especially the Item 4.0 (Admission through Online Counseling) of Online Counseling Brochure of AIEEA (PG)-2021, and the requirements contained therein.

The candidate should note that having 4/5 or 5/2 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AIEEA (PG)-2021 except at IARI and NDRI in few courses (please refer Online Counseling Brochure Instruction for the candidates' item 4).

Scanned images (JPEG files) of the original documents [**mentioned at Item 4.1.1 of AIEEA (PG)-2020 Online Counseling Brochure**] are required to be uploaded on the counseling portal at the time of counseling.

For admission in M.V.Sc., candidates must have completed B.V.Sc. & A.H. with internship at the time of online verification of documents by the allotted university. However, in view of COVID-19 pandemic, B.V.Sc. & A.H. candidates have been given a one-time relaxation in submission of PDC up to 31.12.2021 for counseling. Such candidates, however, shall be mandatorily required to upload a certificate from the Registrar of the concerned university specifically indicating that *the candidate has been awarded Final OGPA/Percentage of marks at the end of final semester/year and he/she shall be completing all the requirements including internship for the award of B.V.Sc. & A.H. degree before 31.12.2021 along with mentioning the likely date of issuance of PDC/Degree to the candidate" in case of 5 years and at the time of registration in case of 5½ years.*

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be held responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from colleges/universities, whether private or Govt. but not accredited by ICAR (except few courses of Dr. RPCAU Pusa and RLBCAU Jhansi), even though affiliated to public funded/Govt. institutions or constituent, were notified through Information Bulletin, as not eligible to appear in AIEEA (PG) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such ineligible candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of Online Counseling Brochure of AIEEA (PG)-2021] before registering for online counseling/seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Sub-subject under a particular

category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

To get ICAR- PG Scholarship, the candidate must pursue Master's degree from an AU in a state different from the one where the AU of his /her Bachelor's degree is located, i.e. AUs of Bachelor's degree and Master degree should be located in different states. This condition, however, shall not apply for admission to NDRI, Karnal, RLBCAU, Jhansi and Dr. RPCAU, Pusa where admissions to 100% seats of Bachelor's degree programme are made on the basis of All India Entrance Examination conducted by ICAR and to B.V.Sc. & A.H. candidates passed out from IVRI, Bareilly seeking admission to Master's degree programme at IVRI, Bareilly through AIEEA(PG)-2021 subject to fulfilment of other prescribed requirements for the award of ICAR-PG scholarship.

The non- PG Scholarship candidates shall be eligible to get NTS (PGS) of Rs. 5000/- per month for two years provided they join Master degree programme in an AU located in a state different from their state of domicile. Even the candidates who do not want to avail NTS (PGS) have to mandatorily seek admission in an AU different from the one from where they have graduated.

The award of PG scholarship and NTS (PGS) shall be governed by the rules and regulations issued and as amended by the Council from time to time in this regard. After the admission, under no circumstances, the request for change of subject and the university will be entertained from the candidates/parents.

It may be noted that ICAR/University will NOT be held responsible for denial of admission to non-eligible or non-reporting candidates due to any reasons.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

If candidates do NOT lock their choices, last saved choices will be locked automatically upon reaching the deadline for choice filling. Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e. candidates CANNOT change the order of their choices OR add any more course in OR delete any course from their choice list after the deadline for choice filling.

SEAT ALLOTMENT AND UPGRADATION

On the date of allotment, candidate's choices, his/her merit, score, qualification, domicile, category, sub-category, last University in which studied and seat matrix will be processed together and seat will be allotted following the reservation rules of Gol. ↓
All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to report at the allotted University within the prescribed date and time failing which their allotment will be cancelled.

↓
Upon reporting at the allotted University, the candidate has to produce all the relevant original documents to the University officials for verification. University may refuse admission if the listed documents are not found in order or the candidate is found ineligible for admission.

↓
The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓
Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Candidates will NOT be allowed to edit their choice list after the deadline for choice filling, i.e. candidates CANNOT change the order of their choices OR add any more course in OR delete any course from their choice list after the deadline for choice filling.

SEAT ALLOTMENT AND UPGRADATION

On the date of allotment, candidate's choices, his/her merit, score, qualification, domicile, category, sub-category, last University in which studied and seat matrix will be processed together and seat will be allotted following the reservation rules of Gol. Candidate will be allotted one of his/her desired accredited University/Course. Allocation of an accredited college within the University allotted shall be done by the University itself. It does not come under the scope of this counselling.

↓

Candidate should download his/her provisional allotment letter mentioning the Course/University allotted and the date on which he/she has to report at the allotted University along with all listed documents. Candidate will also be sent this intimation through SMS and email.

↓

All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to report at the allotted University within the prescribed date and time failing which their allotment will be cancelled.

↓

Upon reporting at the allotted University, the candidate has to produce all the relevant original documents to the University officials for verification. University may refuse admission if the listed documents are not found in order or the candidate is found ineligible for admission.

↓

The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

SEAT ALLOTMENT AND UPGRADATION

On the date of allotment, candidate's choices, his/her merit, score, qualification, domicile, category, sub-category, last University in which studied and seat matrix will be processed together and seat will be allotted following the reservation rules of Gol. Candidate will be allotted one of his/her desired accredited University/Course. Allocation of an accredited college within the University allotted shall be done by the University itself. It does not come under the scope of this counselling.

↓

The candidate shall pay the prescribed fee to the University and the University official will generate the Provisional Admission letter of the candidate.

↓

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of ineligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

Some candidates will be allotted their 2nd/3rd/4th or even higher choice. It may be clearly noted that the candidate will be considered for sliding ONLY to one of the better choices that were given by him/her at the time of online choice filling. Such candidates should request the University officials to online mark them for “Upgradation”. However, it will be MANDATORY for the candidate to first take admission on the allotted seat.

Contd....

Contd....

If the candidate could not request for "Upgradation" at the University at the time of reporting, and wants to do so, then he/she will be able to do it, after admission, as per his/her convenience at home, using his/her login credentials. Such candidates will be required to **print their "Upgradation" letter, sign it, scan and upload on the counseling portal**. University officials will download the same through the University Login and attach that along with the other documents submitted by the candidate earlier.

Vice versa, if the candidate had opted for "Upgradation" while reporting at the University but does not want to continue with it, then he/she will be able to do so through his/her individual login as per his/her convenience at home.

The status of all the candidates who had opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).

In the subsequent round of allotment, such candidates will be tried first for their better choices on the seats which had become vacant due to not reporting, ineligibility, etc.

If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.

If the candidate gets a better choice, then his/her initially allotted seat will stand CANCELLED and the candidate will have to accept the "Upgraded" seat. In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

In NO case, such "UPGRADED" candidate will be allowed to retain the initially allotted seat. Therefore, the candidate must be very careful in exercising the request for "Upgradation".

The "Upgraded" candidates are EXEMPTED from reporting at the "Upgraded" University. Since the eligibility and documents have already been verified by a Competent University, therefore, the candidates have been given this relaxation. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional eligibility requirements/criteria, if any, for the allotted course, well in advance, before finally reporting for admission. However, if the "Upgraded" University/ Course has some additional requirements of eligibility then the onus shall lie on the candidate to fulfill such eligibility criteria/requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates. In reporting module of the University login, all such candidates will be marked as "ADMITTED" by default by the system. The University will not be able to change their status as Not Admitted: Absent/Not turned up.

If a candidate is "Upgraded" during the second allotment and he/she still has scope of getting a better choice, then he/she can again request for "Upgradation". Since the candidate is exempted from reporting at the "Upgraded" University so he/she will again be permitted to do so with his/her own login as per his/her convenience at home. However, if the "Upgraded" candidate wishes to report at the "Upgraded" University, then he/she can do so.

Since there will be only three rounds of counseling, request for "Upgradation" will be permissible only during the first and second rounds.

University will report Online about the admission status of each and every individual candidate. NONE of the candidate should remain un-reported. ICAR shall not be responsible for any wrong reporting by the University as this forms the basis of further activities. So the University officials **MUST** doubly verify their reporting as the seats reported vacant will form the seat matrix for subsequent rounds.

Subsequent round of allotments (2nd and 3rd) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

The GATE 2019 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2019 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2019 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2019 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Overall Band Score

Test	Score	Your result explained	Advice to improve your score
Overall	7.5	Good User	The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.
Listening	8.5	Test takers at Band 8.5 can typically follow extended speech involving complex and detailed argumentation. They can identify and process language and grammar automatically, and so are able to concentrate on the development of the overall meaning of what is said by a speaker or speakers. They can understand a wide range of vocabulary, including idiomatic language and fixed phrases or unusual collocations, as well as technical and academic language.	Listen to discussion programmes, especially those on abstract topics you're less familiar with, without pausing or repeating the recording. Try to predict how the conversation might develop, then see if you're correct. Make it a point to notice how the speakers express and qualify their opinions, noting ways they say things that make their arguments particularly effective. Where speakers have different points of view, notice how they respond to one another's comments. Use strategies to infer ideas and meanings that are not directly stated. Afterwards, try to reconstruct the discussion to yourself, to check how much you have understood.
Reading	8.5	Test takers at Band 8.5 can typically deal effectively with a variety of factual and opinion-based texts that are often complex and dense with information. They are skilled at using their very wide vocabulary knowledge to create meaning, from sentence level to text level, on a range of general, specialised, and technical topics. They are good at following complex arguments and distinguishing between main ideas and supporting details, and at understanding attitude, opinion and implication. They are good at using appropriate reading strategies, such as skimming and scanning, and at synthesizing information and drawing inferences.	Your reading skills are already quite good. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Use your knowledge of these and approach the reading task in an appropriate way. Limit the amount of time you give yourself to read a text. As an exercise, try to find several texts on the same topic so that you can compare opinions, views, definitions and conceptualisations of ideas. Academics often make fine distinctions, so see if you can determine these. You may even try to see if you can capture those differences by writing a one sentence summary.

Speaking	6.5	<p>Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.</p>	<p>or Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?</p>
Writing	6.0	<p>Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.</p>	<p>Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.</p>

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
