

## Workshop on Polythene/Plastic free campus

**Date:** 11-07-2019

**Resource Person:** Dr Atanu Deb

**About the resource person:** Dr. Atanu Deb (b. 1988) is currently working as Dean (Student Affair) and Associate Professor (Department of Agricultural Extension) in Centurion University of Technology and Management. He served as Project Coordinator of Pan India Farming System Development Project of Literacy India (2012-2013). He was the third party evaluator cum Consultant of MGNREGA- Govt. of Jharkhand (during 2013-2014). As an agricultural consultant, he worked with several NGOs. He is also working as the Program Coordinator for NSS (National Service Scheme, Central Government). He has a published patent in his account. He has to his credit 4 solo books, 25 extension training manuals and over 150 popular articles. He contributed some book chapters also. He has developed more than 300 IEC Extension materials for CWS (funded by German Cooperation and WHH- 2018, 2019). He was the creator of Indian SuperFoods-2019 Crop Calendar for WHH, funded by the European Union. He edited KDB-Jharkhand a Rural Development Magazine for three years (2014, 2015, and 2016). He is a professional illustrator, blogger, graphic novelist and creative writer.

### **Objectives:**

- Plastic pollution is a real issue – just look around
- Plastics are made from oil and gas and their production harms our environment from added greenhouse gases.
- Nature can't digest it, Plastics break UP into smaller pieces called microplastics. It never breaks down.
- Plastics affect millions of sea and land creatures who are injured or killed eating them.
- Plastics are now found everywhere: in our food, drink, in nature and all over the planet.
- Plastic food and drink packaging often contain harmful chemical additives that affect human health.
