REPORT

About the Programme

The programme is meant for all the faculty members who wish to gain additional knowledge in the area of financial planning and financial investment. Financial resources play a very important role in our day-to-day life. However, there are risks involved in financial investments. Hence, it is important to understand the risk associated with it.

Objective:

The objective of this program is to create an awareness regarding the investment climate and the various investment options. Further the tax planning aspects of investment will also be discussed in the sessions.
