Job Readiness, 17 August 2021

A Report on Job Readiness Program 2021-2022

Job-readiness training programs, also known as workplace-readiness and career-readiness training programs, prepare students to get, keep and excel at a new job, explains the Workforce Innovation Technical Assistance Centre. Basic employability skills include effective communication, problem solving, resume building, and interviewing.

Job-readiness training programs also help participants develop good work habits that facilitate their ongoing success.

In the 21st century, a career depicts the ultimate success of an individual. Due to increasing competition and lack of employment availability, students are not able to land in a proper job. Concentrating on academic performance throughout student life, they lack an appropriate skill set right before the beginning of their careers. Acquiring these skill sets and proficiency will not only make them industry ready but also prove to be beneficial in the long run.

Centurion University, Odisha has taken initiative to gear this up to reach the expectations of the students. This initiative was taken in order to get the students acquainted with Language Proficiency, L-S-R-W skills, Business Communication and Life Skills. The evaluation of the same are being done as per the IELTS format i.e.6.5 band score

On this basis few events and activities were conducted in the session like Group Discussions, Mock interviews, CV writing and presentations.

Few sessions on 'Group Discussion' were conducted by Department of English, Centurion University for the students across the campus. The motive was to observe their personality and skills, ability to discuss on the given subject and to guide them on how to take part in Group Discussions. The sessions opened with the 'Self Introduction' of students. After that students were given a topic to involve into group discussion. The students were given 2 minutes to think over the topic before beginning with the discussion.

The group discussion lasted for about 15-20 minutes. The highlights of the discussion are as follows:

- 1. There was an initiator who was also a dominator in the group.
- 2. The group discussion was in English as well as Hindi both Languages.
- 3. There were few silent observers who didn't involve in discussion.

- 4. Some students were fumbling for vocabulary.
- 5. Students could highlight many important facts and figures pertaining to the topic.
- 6. Students were unable to understand the topic properly.

Students were advised to use quotes, facts, figures, definitions, statistics, shocking statements, short story or general statement in the discussion. Hints were given on how to enter a GD midway and ideas to silent members on how to enter a GD. Importance was also given on the non-verbal communication i.e., body language by which attitudes and feelings are communicated. Lastly the students were asked to summarize and conclude the GD highlighting all the important points discussed by the group. Concluding the session. Students were advised to read newspapers and enlist three local, national and global news each which shall help them to be aware of the current news in the world.

Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this, Mock interviews for all the students across the campus were conducted

Students were taught various aspects of interview process and questions asked normally in the interviews also highlighted deep insights of mistakes which candidates make while attending interviews and explained about overcoming from those mistakes. The following few questions were asked and feedback and evaluation process were done.

- Why should we hire you?
- Where do you see yourself 5 years from now?
- What are your strengths and weaknesses?
- When can you join if selected?
- How much salary do you expect?
- What do you know about our company?

Sessions on 'CV Writing' were conducted for the registered students across the campus. The sessions were conducted for Final Year and pre final year students. The purpose was to give an idea about the Curriculum Vitae, Resume and formats. Students were given the task to write a cover letter and email. Lastly feedbacks were taken from the students for the session of Communication and self-introduction.

Job readiness program helps students to obtain necessary skills that will aid them to grow and sustain in a job. Very much important to assist the student in conquering the real-world challenges, these programs incorporate the required soft skills regardless of education and experience. Enriching the students with soft skills such as creativity, communication, teamwork, problem-solving, critical thinking, cultural competency, etiquette, and professionalism the career readiness programs integrate employability skills among the students providing them with a competitive edge during interviews, internships, and jobs.2316 students were involved.
