Report on SOFT SKILLS Training (SoAS)

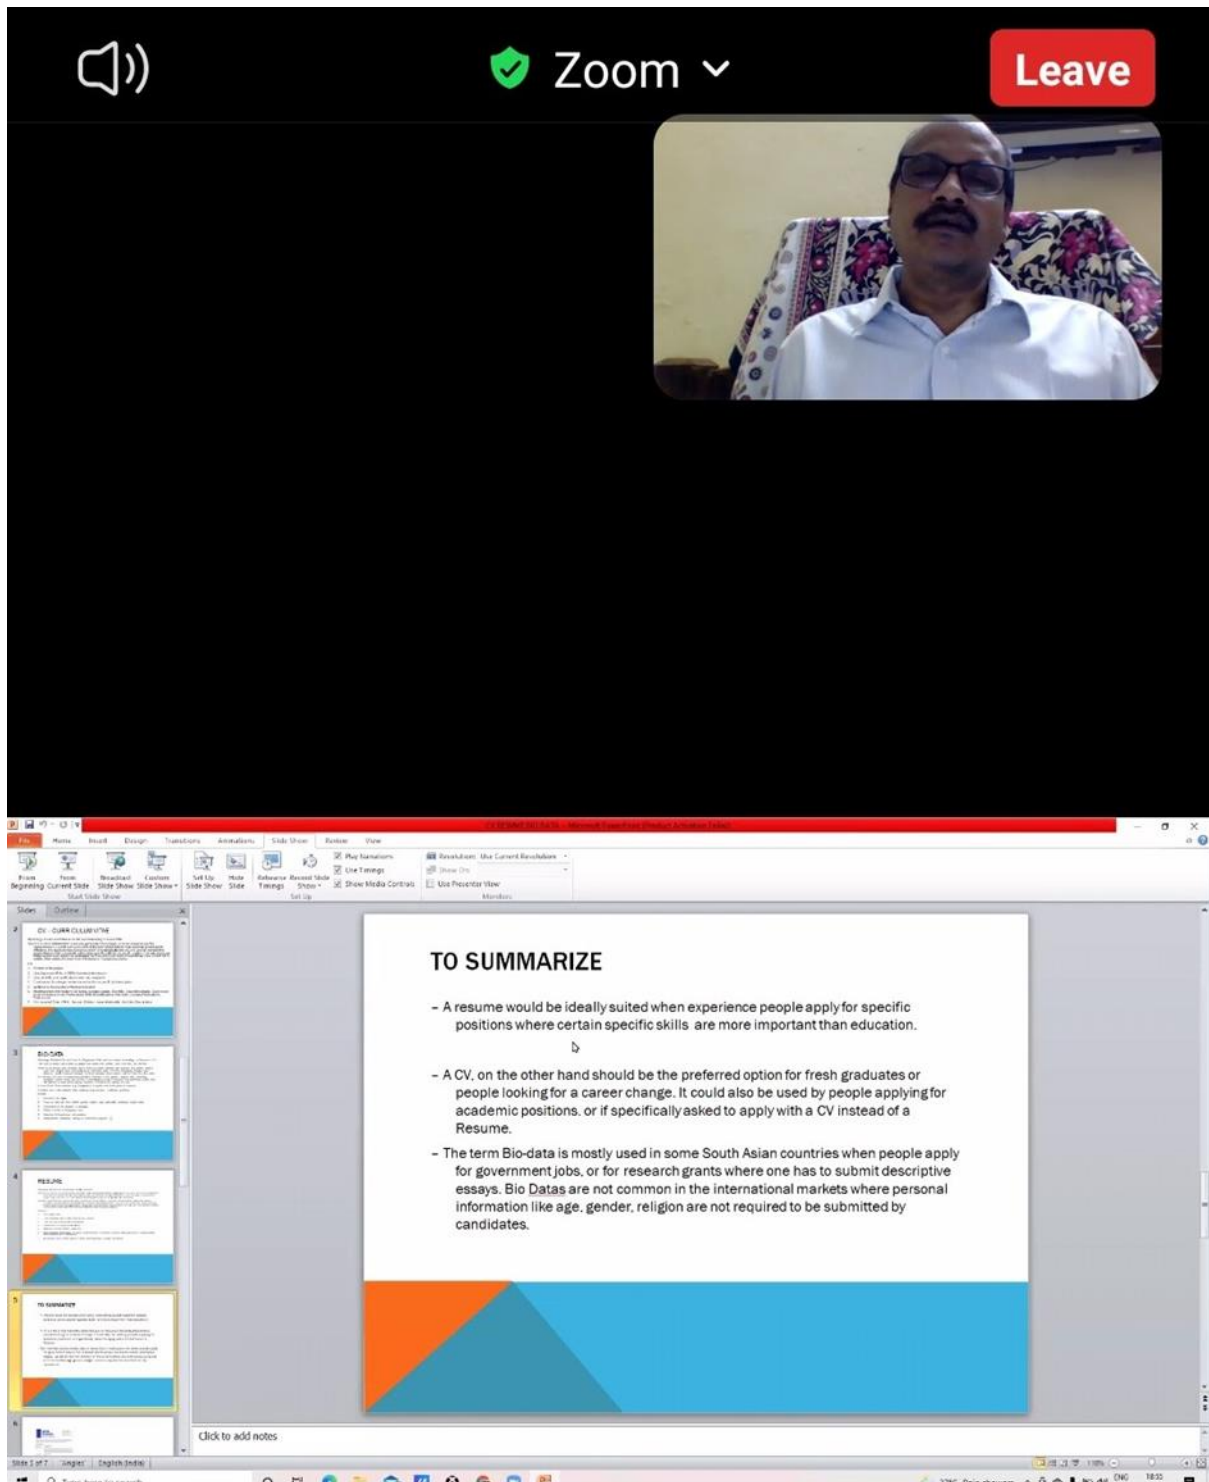

23 January 2020

A Soft Skill Development Training Programme was organized for the students of School of Applied Sciences, Centurion University of Technology & Management from 9.30 AM to 4.30 PM on 23rd January, 2020 which witnessed the participation of 250 students . The workshop was inaugurated by the Dean of Applied of Applied Sciences, Dr. Ashok MIshra. The event was coordinated by Dr. Prajna Pani, Professor of English. In his inaugural speech, Dr. Mishra urged the participants to make use of the workshop to the maximum extent possible in order to enhance their soft skills which has become an important element to excel in job spheres.

The training programme was divided into three sessions:

The first session started with themes of Greetings and small talks, team work and its importance. The students were taught about the communication skills and life skills through small presentations, guided nursing conversation and activity-based approaches like skit and role play. This was mainly done to boost the confidence among the students.

The next session of the training embarked with the identification of the differences between CV, resume and bio data. The trainer gave tips to write attractive CVs and also advised on the notions to be included in CV. During the training program, the students were taught about some good etiquettes to be followed while attending interviews. Tips and guidelines for attending HR interview were also dealt with in detail. Few frequently asked questions and the effective answers for those questions were also discussed. The students learnt about interview skills through video clippings.

The third and final session kicked off on focused group discussions and the ways to take part in group discussions reflecting its importance. Under the guidance of the trainers, the students were made to take part in group discussions, group coordination and team work. Finally, groups were constituted among

students to showcase their talents through stage shows. The program concluded with a feedback from participants and a vote of thanks by the coordinator.
