A REPORT ON
Case Study on Human behaviour in organization
3 September 2018

A workshop on **Human behaviour in organization** was organized on 3rd Sep 2018 by the School of Management with 150 participants.

The workshop was inaugurated by Prof. Rashmi Ranjan Parida, PGP coordinator. In his welcome address he encouraged the participants to focus the topics by resource persons

The workshop was divided into two sessions. The first session was delivered by Dr. Subhendu Mishra, Professor, School of Management who presented a talk on Human behaviour covering areas like attitude, emotional intelligence and tools related to the non-verbal communication skills through which students can build their careers. He also provided some useful links relating to human behaviour. After the presentation, the participants were given a few quizzes on human behaviour and their performance was evaluated.

In the second session. Prof. S. Kameswar Rao, Assistant Professor of the department delivered his lecture on some of the techniques to be used for social cognition. He emphasized the development of social cognition. The students were asked to discuss the challenges of social cognition.

A case study on human behaviour:

Mukul was a hardworking policeman. He married a beautiful girl from his village. Both of them stayed in a house at police quarters.

Mukul's boss, Sub-Inspector Sandeep was an arrogant and flirtatious officer. He did not treat his subordinates well. He had an eye on Mukul's wife ever since he first saw her on the day of Mukul's wedding. His house was in the neighbourhood of Mukul's. Unlike other superior officers, Sandeep often invited Mukul to visit his home with his wife for dinner and to other get-together parties. Mukul had noticed that Sandeep was trying to get closer to his wife by making jokes and giving unsolicited advice.

Sandeep denied Mukul any holidays. Mukul was tired of asking for leave so many times and had even mildly protested once. Sandeep wanted Mukul and his wife to stay at the quarters all the time.

Once Mukul wanted fifteen days of leave to arrange and look after his only sister's wedding. He had to go to his native with his family for fifteen days. Mukul officially kept asking for leave two months well before the wedding date itself. But as expected Sandeep kept refusing him any leave. Just before the scheduled day Mukul had to leave for his native, he once again

finally asked Sandeep to grant him leave. Sandeep said that he would grant him leave provided he went alone to the marriage leaving behind his wife in the quarters.

Mukul, agitated, took his loaded rifle and shot the inspector dead. He then surrendered himself to police.

The workshop truly provided a platform for students to learn about attitude and social cognition. In the concluding part of the workshop, a few participants gave their feedback explaining how the program helped them improve their perception in a better way. Informative and insightful feedback was given at the end of the session.

Discussion on the case study on 3rd Sep 2018
