Soft Skills Development

Soft skills are those characteristics that help you function as an individual (motivation, self-confidence, and flexibility) as well as within a group (teamwork, negotiation, and respect). To succeed in the workplace, these skills are key! After all, if you can't show up on time, speak up for yourself, or get along with your peers, chances are you're not going to have a very smooth go of it.

It is a widely known fact that soft skills get little respect but will make or break a person's career. To make the students aware of the Soft Skills and their Role and Importance in a student's life, "a one day workshop on effective communication skills and personality development" has been organised by the Literacy club, Centurion University of Technology and Management dealing with Soft Skills on 11th April 2018 in which 250 participants had participated in three batches. The sessions were facilitated by Dr. Susant Kumar Pattnaik, Dean Student Affairs, who was very keen in providing the basic principles of personality development like personality traits, social graces, communication, language, personal habits, interpersonal skills, managing people, leadership etc. The workshop was extremely participative and helped students tremendously in honing up their soft skills. The event witnessed the participation of 250 students who truly appreciated the efforts of the organizer and the resource person for facilitating such a knowledge enriching event.

Soft Skill Development Phase wise, 11 April 2018

By the end of the workshop, few participants were asked to give their feedback.
