

## Soft Skill Development for Engineering, 15 July 2017

The poster features a green and blue background with a white grid pattern. In the top left corner, there is the Centurion University logo and a red box with the number '4' and the text 'QUALITY EDUCATION' above an icon of an open book and a pen. The main title 'Soft Skill Development for Engineering' is written in large white font. Below it, a white box contains the text 'Centurion University of Technology & Management'. To the right, a photograph shows a classroom with students seated at desks, facing a whiteboard. Below the photo, two overlapping circles contain the text 'Venue:- Auditorium' and '15 July 2017'.

**(School of Engineering)**

**15<sup>th</sup> July 2017**

The department of English, CUTM, Paralakhemundi conducted a one-day workshop on Soft Skill Development on 15<sup>th</sup> July, 2017 in the auditorium. A total of 450 students participated in the event. The work shop was divided into three sessions. Online registration was made to limit the number of participants for the workshop.

Soft skills are crucial components for employability. These are extremely important for one's career progress. Unfortunately, soft skills have not been made part of the teaching-learning process in higher education. Our system of higher education puts emphasis mostly on domain knowledge. As a consequence, many meritorious students with sound knowledge in the concerned subject fail to make a breakthrough in their professional career. Keeping in view the necessity of enhancing soft skills, the workshop was organized among students of CUTM. In the inaugural session of the workshop, Prof Prajna Pani, Professor of English presented the keynote address covering the objectives and structure of the workshop. In her address she specifically highlighted on the Organisational Ethics covering three important aspects, viz. "Building Self Confidence", "Positive Attitude" and "All Round Personality Development".

#### Feedback Session, 15<sup>th</sup> July 2017

The second session of the workshop was coordinated by Professor Girish Prasad Rath who emphasized about the need of soft skills in contemporary job markets, presented some basic guidelines to the students on soft skills, showed many inspirational documentary video clippings and made some PowerPoint presentations on soft skill enhancement. Topics covered in this session were: Attitude, Passion, Hard Work, Leadership, Successful Life, Decision-Making Ability, Team Work, preparing PowerPoint Presentation and Speech.

Prof. Susanta Kumar Patnaik coordinated the third session in which he lectured on some of the basic challenges faced by students while choosing a career. The work shop ended with an interactive session where participants were called upon to put forth their views for further improvement, finally some tips were provided to the students for their necessary preparedness for effective participation. Some mock personal interviews and group discussions were conducted as part of this session. The resource persons and participants commented on the performances of different candidates who took active part in the workshop. The workshop generated a great enthusiasm among the young students for enhancing their soft skills. Prof Prajna Pani thanked all stakeholders for making the workshop a grand success.
