Transforming Visions Into Reality

Each and every youth of this country has a vision of their professional lives. This vision can be anything, ranging from a job in their dream companies to starting their own ventures.

AIIESEC in Bhubaneswar realised that to achieve these dreams, a certain mindset is required, which comes with an experience.

The aim of the event is to help transform the visions, of each and every attendee, into a reality by bridging the gap between them and the corporate leaders through experiential sharing and leanings.

ABOUT Y2B

Youth To Business Forum is a platform for leaders and entrepreneurs to come together to inspire the youth and prepare them for the world of tomorrow, today. This is achieved by - Bridging The Gap - between the two mindsets through Power Talk sessions and Talent Studio Workshops.
