Name of the event: Swimming Training

academic year: 2019-20

The course was offered on the basis of providing knowledge, understanding & appreciation towards the sports in general and to develop satisfactory competency in basic skills such as breathing, exercise, floating, different types of kicks in particular. To develop fundamental skills in swimming was the major thrust of the program.

Advance swimming stamina in all four strokes while maintaining technique was practically demonstrated in the programme. Further, improving efficiency in all four strokes and developing turn technique for all four strokes were also part of the programme. In the programme, special attentions were given to knowledge and understanding of club training practices.
