NOTE

1. Candidates who have appeared in XAT 2021 are entitled to a downloadable Score Card till 31st December, 2021.
2. For “Quantitative Ability”, “Verbal and Logical Ability” and “Decision Making” the “Percentile” represents candidate's relative performance position in the total population of the candidates in the respective section. The total “Percentile” indicates the candidate's relative performance position in the total population of the candidates who have written the XAT 2021 exam. General Knowledge percentage and percentile are calculated independently and are not included in the calculation of “Total” percentage or percentile.
3. Performance in XAT is one of several criteria used to judge the suitability of a candidate for admission to XLRI or any other XAT member institutes. Each institute independently decides how to use XAT Scores on the basis of its own policies.
4. It is recommended that XAT Scores be used by institutions only for selecting candidates to their Post Graduate / Fellow Programme (s) in Management.
