

Handicraft design on the theme Wealth from waste paper, Bhubaneswar

Date: 29th July, 2017

Today's world has seen an increasing surge in waste production, as the population increases there is an increase in the production so does the waste. Keeping in mind the ideology of waste decrement, an Handicraft design on the theme of Wealth from waste was organized by Centurion University of technology and management where 6 Schools/Department are participated. Many students took part with their brilliant creativity skills out of which school of engineering and technology won the reward.
