

Street Act on World Aids Day, Bhubaneswar

Date: 1st December, 2017

Sport is good for your physical and mental health. They also help develop leadership skills and equip them with the ability to set goals and build character. Participating in sports can lead to higher self-esteem and better social interaction. It also helps students have a positive outlook on life. Keeping in mind the spirit of games and sports in the students Centurion university conducted an Inter University Badminton Championship. Students from various disciplines participated in the event and made it a grand success. The event was based on a series of knockout level, School of engineering and technology secured the top position.
