

Treasure Hunt Competition, Bhubaneswar

Date: 13th March 2018

On 13th March 2018 CUTM, Bhubaneswar, conducted a treasure hunt competition for the students. Honourable Vice Chancellor Prof. Supriya Pattnaik and Registrar Prof. Anita Patra were the special guests. It was a time-limited activity, and the department that gathered all the hints and completed their task first would be declared the winner. There were twelve hints, and each one pointed to the following move. With the aid of the faculty, several areas of the university's grounds were used to hide the clues. Excitation was high as students raced from pillar to post in search of their next clue. The students particularly enjoyed deciphering the hints, which were presented to them as riddles for each hint. The members demonstrated outstanding teamwork and synchronisation. In the end, it was delightful to see the winners uncover the "prize" while beaming broadly. Dr. Sangram Keshari Swain, the CSR Coordinator, offered a thank-you speech before the programme came to a close.
