

Inter school High & long Jump Championship, Balangir
Date: 16th November, 2018

The CUTM Balangir hosted a high jump and long jump competition for students on November 16, 2018. The university's playground is where the incidents took place. Professors from the department of botany, Drs. Jyotiprakash Rath and Shanatanu Bhattachary, were invited as the principal guests for this event. The event had a sizable turnout of students. Dr. Jyotiprakash Rath address the students and start of the day's activities. A horizontal bar that was placed at specific heights had been cleared by competitors in the high jump without being moved. For the high jump, rules were established. Failure was deemed to have occurred if the jumper failed to clear the bar by dislodging it, hitting the ground, or breaking the plane of the near edge of the bar.

Students performed a long horizontal jump that was similar to the long jump. Students focused entirely on these sports. The university vice chancellor and the registrar awarded prizes to the competitors after the events. Dr. Jayakishan Meher Professor & HOD, Dept. of IT & BCA, thanked the distinguished visitor and employees for attending and extended his gratitude. He also praised the students for their incredible sportsmanship.
