## **Inter Branch Throw Ball Championship (men & women), Bhubaneswar**

**Dated:** 21/11/2019

Sports help us in leading life the right way. It helps us keep fit, remain active and when playing in teams, sports inculcate discipline, self-esteem, confidence, and teamwork. Sports give one an opportunity to have a broader view of the world and life. These qualities are the reason we encourage our students to take part in sports and not just focus on academics. It was organized by Centurion University Bhubaneswar Campus where three different branches of Centurion University take part and in the final match between CSE and ECE.
