

Virtual mode Solo Dance competition on the celebration of the anti-leprosy day, Bhubaneswar

Date: 30th August 2020

Virtual mode Solo Dance competition organized by the Centurion University of Technology and Management, Bhubaneswar. As scheduled, on virtual mode the anti-leprosy day was observed with lepra society this evening i.e. 30th August 2020.

The three-hour-long awareness program was organized in collaboration with Centurion university to inform people of the cause, effects, symptoms, and treatment of leprosy. Our students performed a dance in front of the audience.

We are happy to share that three of our alumni also took part in this event. Our student volunteers actively took part to educate people of leprosy and also helped the members of the lepra society with crowdfunding for the treatment of leprosy patients.

The whole audience enjoyed our student's performance on the holiday evening. Lepra society along with the gathered people appreciated the contribution of Centurion university to the social cause. Lepra society felicitated Centurion university for its contribution after all the performances. A short video was made on the theme "we are with lepra and we will beat leprosy together".
