

One Act Play on World Mental Health Day, Rayagada

Date: 8th October 2021

World mental health day was celebrated every year on 8th October. On this occasion Centurion University of Technology and Management, Rayagada organized a one-act play on 8th October 2021. This was in need of the hour that world pandemic COVID-19 had a major impact on people's mental health. Some groups, including health and other frontline workers, students, people living alone, and those with pre-existing mental health conditions, have been particularly affected. The one-act play showcases the efforts made in some of the countries to encourage everyone to highlight positive stories as part of our own activities, and as an inspiration to others.
