Response	<p>1) The Geo-tagged photographs of the facilities is attached.</p> <p>2) The bills for the purchase of equipment for the facilities for alternate sources of energy and energy conservation are attached.</p> <p>3) The reports on the facilities related to solar energy, Biogas plant, Wheeling to the grid, Sensor-based energy conservation, Use of LED bulbs/ power efficient equipments are attached.</p> <p>4) The permission document for connecting to the grid from the Government/ Electricity authority is attached. University would like to clarify that the permission letter attached from Central Electricity Supply Utility (CESU) of Odisha addressed to Principal Industrial Training Institute (ITI) and Principal Institute of Training of Trainers (ITOT) and these are part of the School of Vocational Educational Education and Training (SoVET) of the university. The power connection as per the Govt. of India norms has been taken in the name of the institute instead of name of the university. Another permission letter relating to Bhubaneswar campus is addressed to M/s Centurion School of Rural Enterprise Management which is the sponsoring trust of the university. The last attachment provided is the agreement of SOUTHCO UTILITY and Centurion University for Solar energy generation related to Parlakhemundi campus.</p>
