# SDG 17 | Research on Partnerships for the Goals

# SDG 17

# REPORT 2021

# THE CONTEXT

Centurion University conducts research in the area of “Partnerships for the Goals” through its various schools and research centres. Faculty and students are engaged in and publish many research articles striving towards the standalone topic and others which are cross disciplinary. the University's production units, industry sponsored action learning laboratories and community engagement provide an excellent basis for research in this area.

There were 24 research papers published in journals of national and international repute and there are 13 work-in-progress papers The following section serves as a link to last three-year research endeavour in SDG 17.

**Jaggannath Padhi**

Director,  
Centurion University
