

B.Sc. - MEDICAL LABORATORY TECHNOLOGY

Eligibility Criteria

Candidates must have passed 10+2 with 50% in Science with Biology. Admission based on the entrance test of CUTM.

Duration of Course - Three years

B.PHARMACY D.PHARMACY

Eligibility Criteria

Candidate must have passed 10+2 in Science with a minimum 50% marks in Physics, Chemistry, Mathematics or Biology. Admission based on the entrance test of CUTM.

Duration of Course - Bachelor in Pharmacy : Four years | **Diploma in Pharmacy** : Three years

B.Sc. - DIALYSIS TECHNOLOGY

Eligibility Criteria

Candidates must have passed 10+2 with Physics, Chemistry and either Biology/Mathematics as main subjects with a minimum aggregate of 50%.

Duration of Course - Three years

B.Sc. - FORENSIC SCIENCES

Eligibility Criteria

Candidates must have passed 10+2 or an equivalent examination from a recognised educational board, with Physics, Chemistry and Biology and/or Mathematics as main subjects and a minimum aggregate of 50%. Admission is based on CUET/JEE Main/EAMCET/WBJEE other equivalent entrance tests.

Duration of Course - Three years

B.Sc. - EMERGENCY

Eligibility Criteria

Candidates must have passed 10+2 with a minimum aggregate of 50% from a recognised board or council.

Duration of Course - Three years

Centurion
UNIVERSITY

If a Career in Health Sciences
Is what you are aiming for, then
Centurion University Is where you
should be.

CHAMPIONS OF CHANGE

HEALTH SCIENCES

Centurion
UNIVERSITY

CENTURION AT A GLANCE

Since its inception in 2005 by a group of ambitious academics with aspirations to provide high quality education, both nationally and internationally, Centurion University of Technology and Management (CUTM) has been a front-runner in the world of education and has numerous academic achievements to its name. The University has focused on 'hands-on', 'experience-based', 'practice-oriented' learning that makes a difference through appropriate and relevant innovation and action research.

Centurion University is redefining the learning platform through:

- | Skill integrated, domain linked, teaching and learning
- | Industry and community partnerships
- | Creating and co-creating enterprises
- | An ecosystem approach which includes community, enterprise, industry and educational institutes.

The University has five campuses and a number of social entrepreneurial outreach wings that, along with collaborating institutions and networks, form its ecosystem.

The campuses are located in Paralakhemundi, Bhubaneswar, Visakhapatnam, Rayagada, Bolangir and Chatrapur and they house a number of Schools.

They are:

- | M. S. Swaminathan School of Agriculture
- | School of Paramedics and Allied Health Sciences
- | School of Architecture and Planning
- | School of School of Applied Sciences
- | School of Engineering and Technology
- | School of Management
- | School of Media and Communication
- | School of Pharmacy and Life Sciences
- | School of Vocational Training
- | Institute of Knowledge Societies

HEALTH SCIENCES

In a world where life is moving ahead at a rapid pace, it is important that we keep up with the changing environment. Life processes, be it of humans or other species, have been witnessing transformations of varying magnitudes in recent times. And it has become a prerequisite that we are aware of the changes that are happening and have the skills to find the answers for questions that these changing times may present before us.

Health Sciences is the discipline of applied science that deals with living organisms and life processes, provides important insights into disease processes, and allows the development of innovative medical devices and therapeutics, thereby directly improving human health. This also enables an understanding of the environment and other living species that we share our planet with.

At Centurion University, with our experiential learning approach, we will make sure that you are equipped with the required skills to succeed in this new environment where initiative, innovation and risk taking are valued. And along the way, champion this change.

THE WORLD OF EDUCATION IS CHANGING. THE METHODS OF LEARNING ARE CHANGING. AND SO ARE THE POSSIBILITIES. NOW, WHEN THE OFFBEAT AND UNEXPLORED ARE THE MAINSTREAM, ISN'T IT ABOUT TIME YOU EMBRACED THE CHANGE?

AT CENTURION UNIVERSITY, CHANGE WAS OUR ONLY CONSTANT. IT WAS OUR VISION FROM DAY ONE. WITH OUR EXPERIENTIAL LEARNING METHODS, FACILITIES AND FRESH APPROACH AT EDUCATION, WE BACK CHANGE. ADVOCATE IT. AND MORE THAN ANYTHING ELSE, WE CHAMPION IT.

AND TODAY, WE ARE SURGING AHEAD AND RIDING THIS WAVE OF CHANGE. RIGHT AT THE FOREFRONT.

B.Sc. - CARDIAC TECHNOLOGY

| Eligibility Criteria

Candidates must have passed 10+2 with a minimum aggregate of 50% in Science with Biology.

Duration of Course - Three years

B.Sc. - RADIOLOGY

| Eligibility Criteria

Candidates must have passed 10+2 with a minimum aggregate of 50% in Science with Biology. Admission based on the entrance test of CUTM.

Duration of Course - Three years

B.Sc. - ANAESTHESIA TECHNOLOGY

| Eligibility Criteria

Candidates must have passed 10+2 with a minimum aggregate of 50% in Science with Biology.

Duration of Course - Three years

B.Sc. - OPTOMETRY

| Eligibility Criteria

Candidates must have passed 10+2 in Science with Biology, Physics & Chemistry or Physics, Chemistry & Mathematics or Computers with a minimum aggregate of 50%. Admission based on the entrance test of CUTM.

Duration of Course - Four years
