Brief Profile of Resource Person:

Er. Lenka Prasad is an electrical engineer started his carrier from Generating station Balimela Power house & Transmission project at Jayanagar Grid Substation. Joined Distribution of power sector since 1999 & functioned in the capacities starting from Assistant Engineer to General Manager (Commerce) upto March 2022. He handled the situations of various challenges in super cyclone 1999, Phyllis 2013, Hudhud 2014, Titley 2018, Fani 2019 & YAAS 2021. He is also actively participated for restoration of power supply to the affected areas.

About the session:

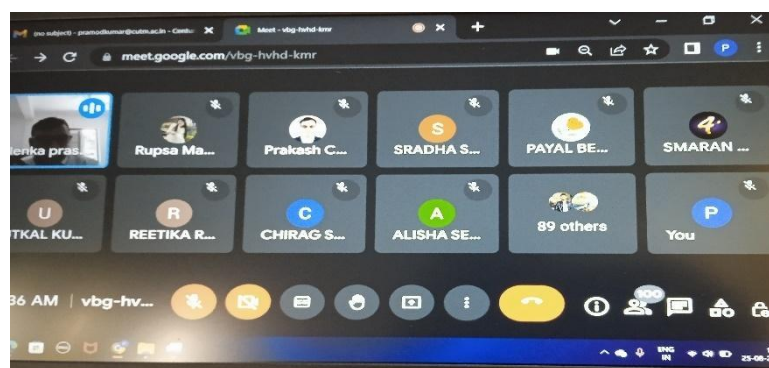

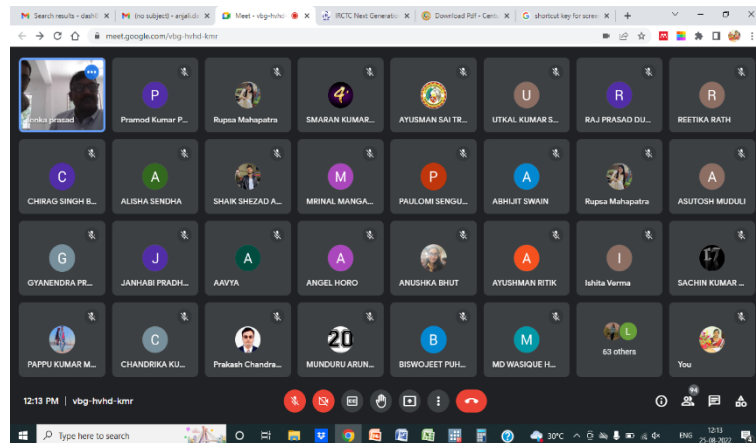

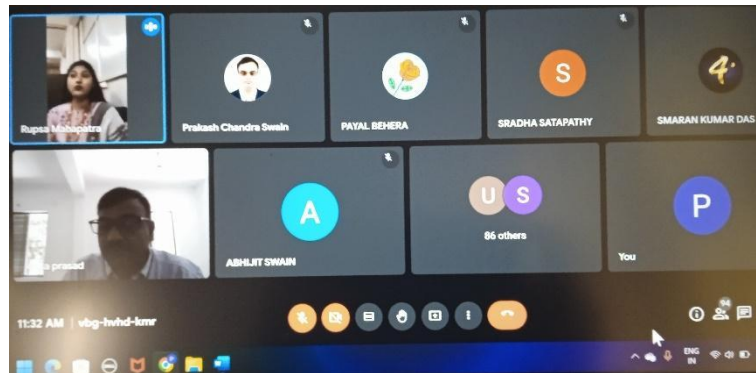

Funding and fundraising together contribute to the growth of business by enhancing the level of startup and entrepreneur according to highest level of competition in corporate world. Therefore, funding and fundraising activities should be utilized in order to stabilize the business of startups. Attaining VC funding is a great advantage for startups as it helps not only in funding your business and injecting cash but also through opening new doors and new opportunities for the business growth. Angel investors provide more favorable terms compared to other lenders, since they usually invest in the entrepreneur starting the business rather than the viability of the business. Angel investors are focused on helping startups take their first steps, rather than the possible profit they may get from the business.

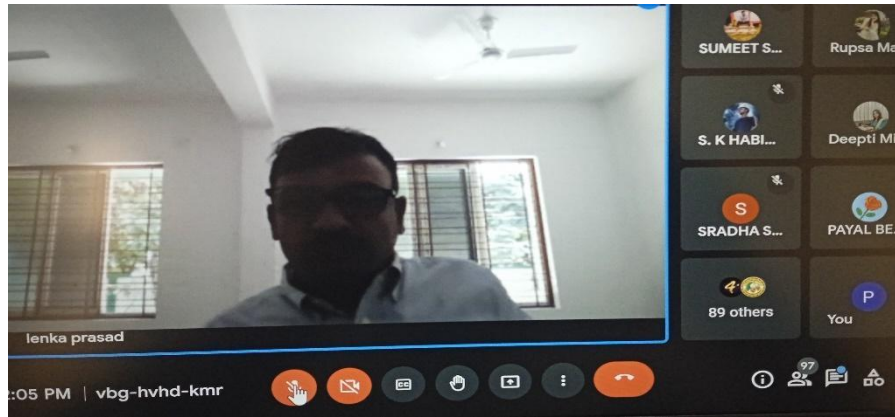

Objective

- To understand the various types of funds required in the different states of startup and entrepreneur
- To gain knowledge on Venture Capital financing and Angle Investment for startup and entrepreneur
- To make the students understood the fundings, subsidy and financial incentive/assistance provided by Government and Startup Odisha for startup and entrepreneur

Outcome: In the session students educate on the ability to start startup/entrepreneur by arranging funds from various sources. Students enhanced their knowledge on Venture

Capital financing and Angel Investment for startup and entrepreneur. Which is useful to the students for starting a new business. The events also focuses on fundings, subsidy and financial incentive/assistance provided by Government and Startup Odisha for startup and entrepreneur.
