Description-

Step into the Gateway of Opportunity: The School of Fisheries at Centurion University of Technology and Management proudly hosted a transformative Alumni Session on the vibrant day of November 30, 2023. As the virtual doors opened, eager students pursuing a Bachelor of Fisheries Science were welcomed to a captivating online discourse, designed to plunge deep into the essential realms of mindset cultivation and subject mastery crucial for navigating the competitive landscape of interviews across diverse industries.

Guiding this enlightening journey was none other than the esteemed Mr. Priya Ranjan, a distinguished Trainee from the prestigious ITC Pvt. Ltd., renowned for its Agribusiness Division. With a wealth of practical wisdom garnered from the trenches of real-world experiences, Mr. Ranjan illuminated the path forward for aspiring professionals, offering a treasure trove of insights that resonated with authenticity and relevance.

With grace and generosity, Mr. Ranjan shared his personal odyssey, weaving anecdotes and lessons learned into a tapestry of guidance that served as a compass for the students' future trajectories. Empowered by this firsthand knowledge and fortified by newfound confidence, participants departed the session equipped with the tools and strategies essential for success in their forthcoming endeavors.

This event transcended the confines of a mere lecture, evolving into a dynamic exchange of ideas and aspirations. Every participant emerged not only inspired but also empowered, poised to embark on their respective career journeys with renewed vigor and

purpose. Truly, it was an interactive and enlightening experience that left an indelible mark on all who attended, serving as a catalyst for growth and transformation
