Letter No: CUTM/Reg.Off./64/2023 Date: 27.01.2023

International Student Cell

CENTURION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT

ODISHA

November 2019

Introduction

Centurion University of Technology and Management (CUTM) has envisioned quality education to be imparted to young learners who are serious about acquiring education and allied skills essential for a good academic career and for life in general. The University welcomes international students who are desirous to pursue academics. International students cell caters to the needs of students from various countries. The University has streamlined the admission procedure, fee structure and other facilities to ensure that international students come to our University in large numbers and take the benefit of diversified courses offered in the curriculum.

Objectives

- To provide a platform for the expression of world cultures across the CUTM campuses.
- To be exposed to our rich multicultural heritage and democratic traditions.
- To build and expand the knowledge community in the global context.

Services provided

- Pre-arrival support by providing a welcome pack/ guide specifically designed for international students
- Providing orientation and transition support through various events to foster social and cultural engagement to overcome the overwhelming nature of the first few weeks and provide opportunities for networking
- Legal support for visa and FRRO registration
- Banking and Health Care support
- Student specialized counseling and specialized academic and language support services through the University/ Department counseling

Courses

Centurion University of Technology and Management (CUTM) offers a wide variety of courses under different faculties at Graduate, Post-Graduate and Doctoral levels across its campuses. In addition it offers over 100 skill courses and 41 domain specialisations which are aligned to the National Skill Qualification Framework (NSQF). Centurion University has developed over 30 diplomas as well as 50 certificate courses to be offered in hybrid mode to external learners.
