SCHOOL OF FORENSIC SCIENCES

OBSERVATION OF NATIONAL FORENSIC WEEK

FORENSICS: LOOKING BEYOND THE OBVIOUS

DATE OF THE EVENT: 20th and 21st SEPTEMBER 2022

VENUE: NEW SEMINAR HALL, ARYABHATA BUILDING, CUTM, BBSR

NO. OF STUDENTS AND/OR FACULTIES PARTICIPATED: 150

About the Event

We, on behalf of School of Forensic Sciences, observed the National Forensic Week 2022 at Centurion University of Technology and Management, Bhubaneswar Campus on 20th and 21st September 2022 to mark the 10th annual celebration of Forensic Science and to acknowledge the contribution that forensic science makes to the criminal justice system. The theme of the event was “Forensics: Looking beyond the Obvious”. This two day event was an excellent opportunity to network with forensic professionals and gain knowledge about scientific research in various forensic disciplines.

DAY 1 (20th September 2022)

The Chief Guest for the event was Dr. Aruna Kumar Swain, Former Assistant Director, State Forensic Science Laboratory, Rasulgarh, Bhubaneswar, Govt. of Odisha. The esteemed Chief Guest, along with Prof. Supriya Pattanayak, Vice Chancellor, CUTM, BBSR and Dr. Prasanta Kumar Mohanty, Dean- Academic, CUTM, BBSR, inaugurated the event. The keynote speaker was Dr. Debendra Muduli, Asst. Professor, Department of Computer Science & Engineering, NIT Rourkela, Odisha. In the inaugural session, a welcome dance was performed by the students of the department.

Prof. Supriya Pattanayak delivered an introductory speech as the head of the institution and spoke about how Centurion University has consistently shown itself to be a pioneer in social consciousness and the pursuit of a better tomorrow. Dr. Prasanta Kumar Mohanty also addressed the gathering with his kind words. He was felicitated with an award of Excellence for his continuing contributions in the field of Forensic Science.

There were two technical sessions which were handled by experts in different areas. The first technical session was on “DNA profiling for crime investigations” by Dr. Aruna Kumar Swain. He focused on the significant role of DNA as evidence in solving criminal and civil

cases. He also briefed the students about certain cases which were solved based solely on DNA evidence during his tenure in SFSL.

The second session was conducted by Dr. Debendra Muduli. He provided valuable information regarding the domain of cyber security.

After the lunch break, there was a session on crime scene demonstration which was conducted by Dr. Aruna Kumar Swain. He guided the students on the importance of various search methods and proper handling of evidence by forensic professionals at the crime scene.

The final agenda of the day was Poster Presentation session. The posters were presented by the students of the department. The guests of the event interacted with the students and appreciated their work.

DAY 2 (21st September 2022)

Day 2 of the event was marked by the some activities for the students which includes group discussion and quiz competition. There was one technical session on “HPTLC-Instrumentation and its applications” by Mr. Ramakant Yadav, Resource Person from Anchrom Enterprises (I) Pvt. Ltd., where he explained the basics of the instrument and about the identification, fingerprinting and HPTLC bioassays and EDA. Members from School of Pharmacy and Life Sciences & Centre for Drug Design also actively participated in the technical session.

Post lunch break, Prof. KVD Prakash, Dean, HRD, CUTM, BBSR addressed the gathering with his inspiring words. A prize distribution ceremony was conducted and all the awardees were felicitated to acknowledge the talent of the position holders in poster presentation, group discussion and quiz competition.

The event was appropriately concluded by Dr. Amulyaratna Behera, Dean, School of Forensic Sciences, Bhubaneswar who acknowledged the efforts of the entire faculty and students of the department and emphasised the need for more such events in the future.

The event finally came to an end with a refreshing cultural event by the students of the department.

PROPOSED SCHEDULE OF THE EVENT

20 th SEPTEMBER, 2022	DAY - 1

ABOUT THE UNIVERSITY
The journey of Centurion University of Technology and Management (CUTM) began in 2005 by a group of ambitious academics with aspirations to provide high quality education both nationally & internationally.

ABOUT SCHOOL OF FORENSIC SCIENCES
Forensic Sciences is an application of science in criminal and civil laws. Since its inception, it has risen to new heights in terms of gaining an advantage in combating rising crime, recognizing, investigating, and convicting perpetrators. SoFS started M.Sc. Forensic Science in 2017 with the goal of producing professionals in the field of investigative sciences. The school was founded with Gujarat Forensic Science University (GFSU) as its knowledge partner, giving students the opportunity to connect with professionals as well as get practical experience in sophisticated labs at GFSU (now known as NFSU). Since 2019 onwards, School of Forensic Sciences has also started the programme of B.Sc. Forensic Science & M.Sc. Cybersecurity & Digital Forensics.

MENTORS
Prof. Supriya Pattanayak
(Vice Chancellor, CUTM)

Dr. Prasanta K. Mohanty
(Dean, Academic, CUTM)

KEY SPEAKERS
Dr. Aruna Kumar Swain
(Retd. Asst. Director, SFSL, Rasulgrah, Bhubaneswar)

Dr. Debendra Muduli
(Dept of Computer Science & Engineering, NIT Rourkela)

Mr. Ramakant Yadav
(Resource Person, Anchrom Enterprises Pvt. Ltd.)
