## INAUGURATION SESSION

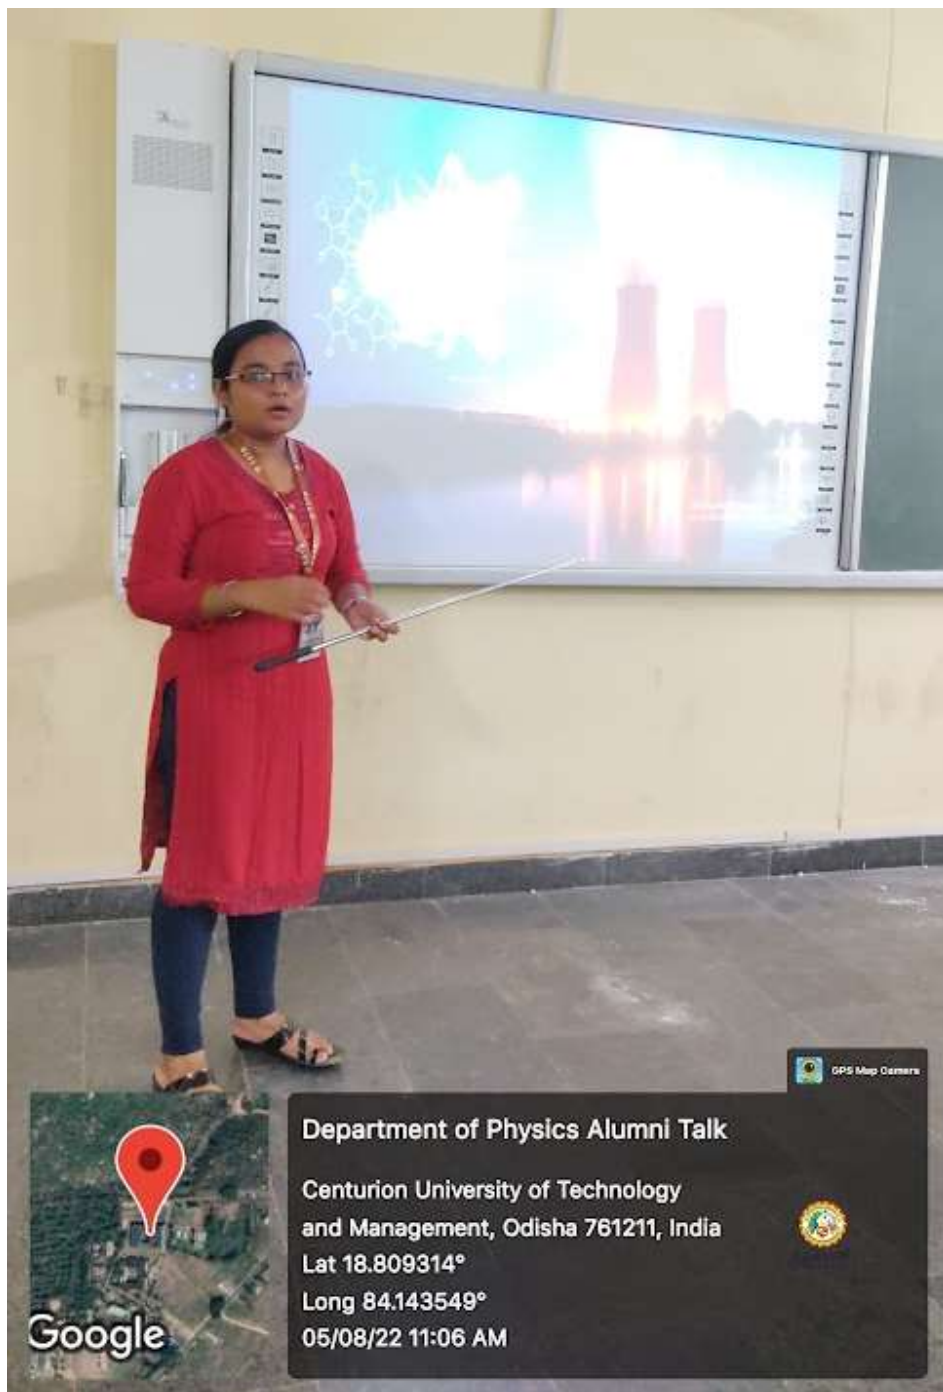

Arpita Patro gives a talk about **"Nano curcumin and its Impact on antibacterial effects "**

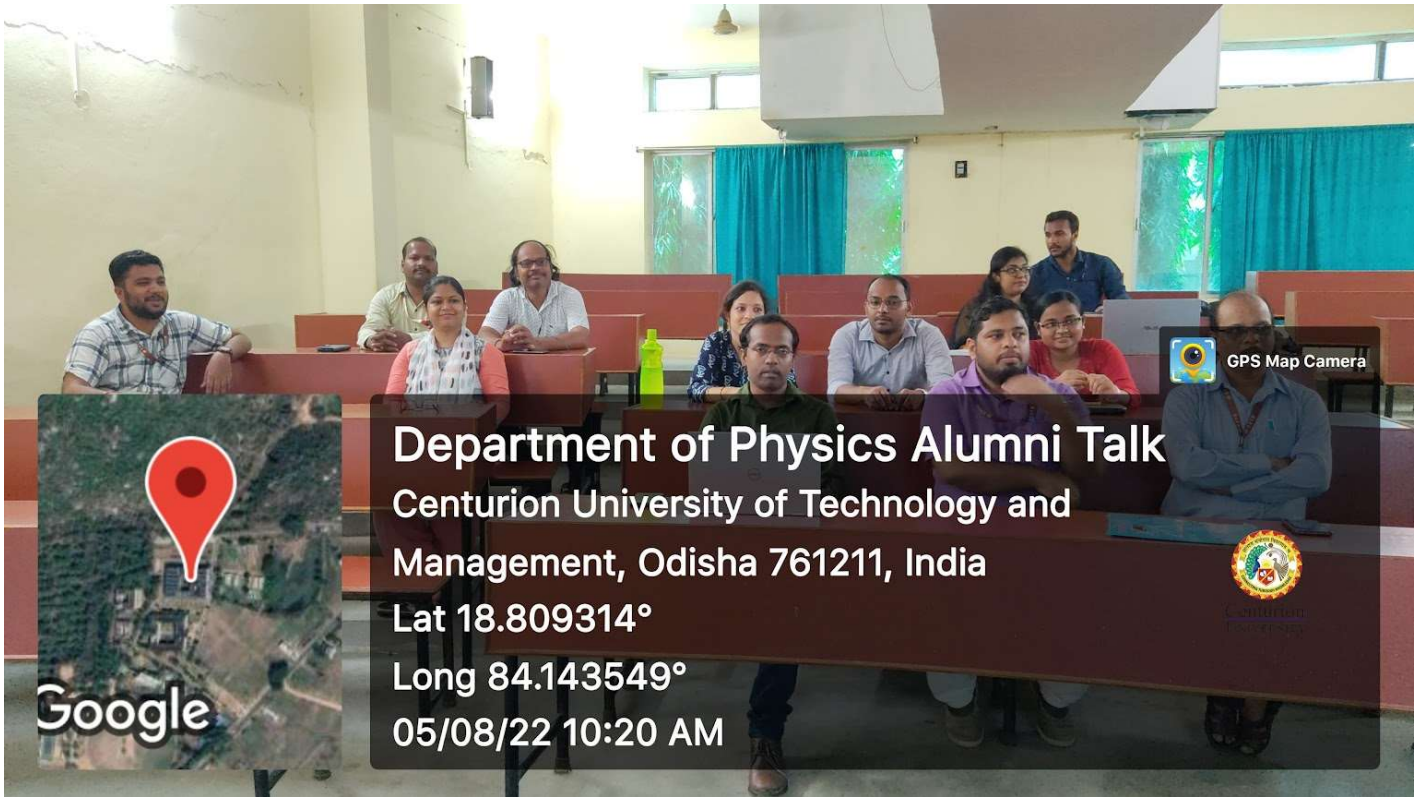

The talk was not just limited to the students, instead various faculty members were seen taking notes of the talk.

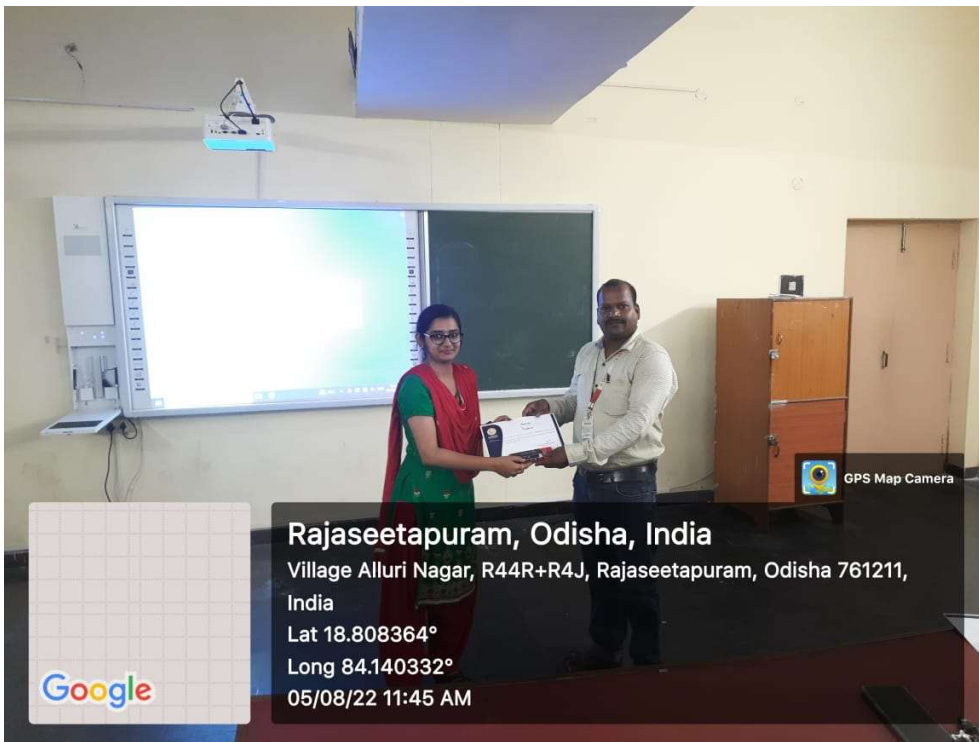

Madhuchhanda Swain gave a talk about "**Study of Nuclear reaction using loosely bound projectiles**".

then the Discussion on that topic had began.

Dr. Rosy Mallick and Dr. Balaji Padhy then felicitated the Alumni Members with “Certificate and Prize”.

Finally, the vote of thanks was given by Dr. Satyanarayan Dhal, Associate. Professor, Deptt. Of Physics, SoAS.

At last We thank all the participants for their active participation in the Alumni Talk.
