Department of EEE,
Center for Smart Engineering Applications
Centurion University of Technology and Management, Odisha, India

Detailed report of the Activity:

Summary Report of **Alumni Talk cum Workshop** jointly organized by the Department of EEE and with the Centre for Smart Engineering and Application.

Duration of 2hr online Seminar cum carrier talk organized by Centre for Smart Engineering Applications on **16 January 2024 (3:30 PM-5:30 PM IST)**.

We also appreciate the participants' involvement throughout the workshop.

We are proud to announce that the seminar experienced an overwhelming response from students across both the BBSR campuses.

A total of 30 participants attended the seminar.

Brief Report

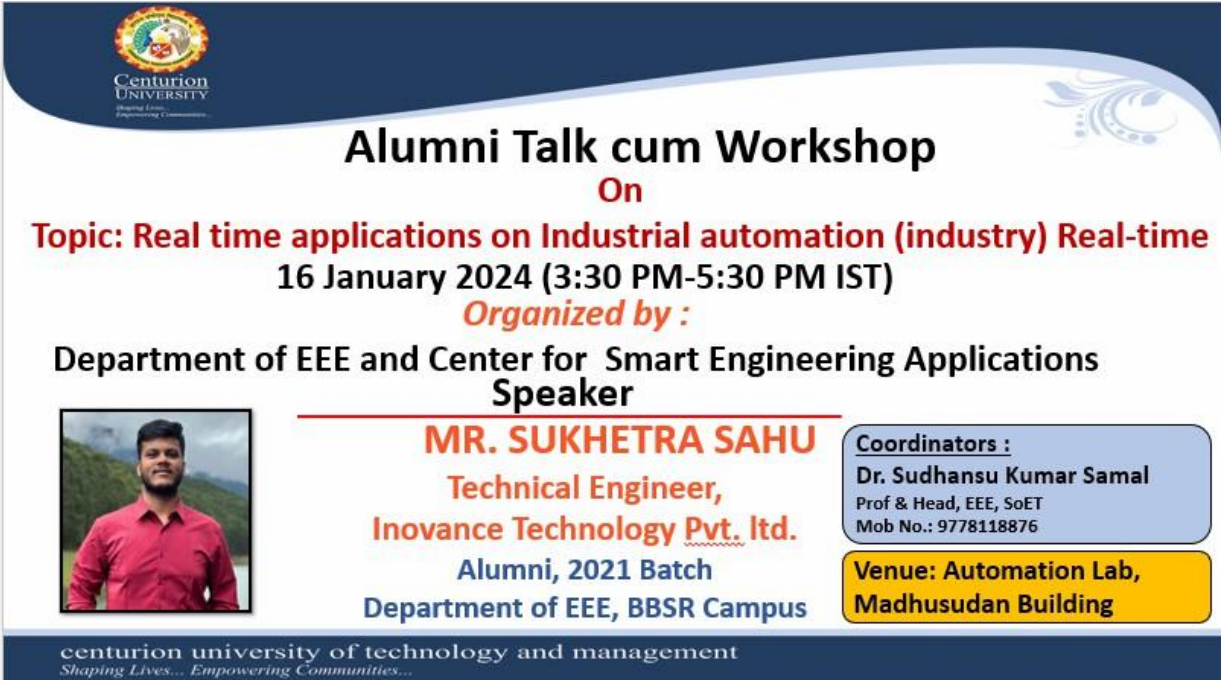

This **Alumni Talk cum Workshop** includes the career-specific objectives in Automation Industries related to different companies, related questioners, and related PI and HR requirements.

Mr. Sukhetra Shared his overall preparatory knowledge to crack the Inovance Technology as well as different micro industries with all the students. He also explains real-time automation examples and hands-on activities to students.

Students from both campuses asked the quires to Mr. Sukhetra and got their doubts cleared.

All 30 students from the Final year and pre-final year attended the meeting.
