

Name of the extension activity: International Nurses Day

Number of Participant: 56

Details of the event:

In 2025, the International Council of Nurses (ICN) selected the theme “Our Nurses, Our Future. Caring for nurses strengthens economies”, emphasizing the critical role of nurses in enhancing global health and economic.

International Nurses Day is celebrated annually on May 12th to honour the birth anniversary of Florence Nightingale.

The celebration at School of Nursing, CUTM, BBSR commenced in the Seminar Hall with a traditional lamp-lighting ceremony in front of Florence Nightingale's portrait, symbolizing the light she brought to the nursing profession. This act paid homage to her legacy and the guiding principles she established for nursing.

Following the lamp-lighting, nursing students collectively recited the Nightingale Pledge, reaffirming their commitment to ethical practices, compassionate care, and professional excellence. This oath-taking ceremony served as a poignant reminder of the responsibilities and values inherent in the nursing profession.
