

Name of the extension activity: World Epilepsy Awareness Day

Number of Participant: 56

Details of the event:

We proudly observe Anti-Epilepsy Day to raise awareness, dispel myths, and promote compassionate care for individuals living with epilepsy. This day serves as a reminder of the crucial role healthcare professionals, especially nurses play in supporting patients with neurological conditions and advocating for inclusive, stigma-free communities.

The theme for World Epilepsy Awareness Day 2025 is “My Epilepsy Journey”.

International Epilepsy Day in 2025 is on February 10th
