Brief report of the organized event
(Financial Assistance to Seminar / Symposia)

SERB Sanction / File No: SSY/2025/001910

Date: 12/12/2025

- 1. Name of Academic Institution / University / Society etc. under whose auspices the Seminar / Conference / Workshop / Symposium etc. was organized: CENTRION UNIVERSITY OF TECHNOLOGY AND MANAGEMENT, BHUBANESWAR**
- 2. Title of the Seminar / Conference / Workshop / Symposium, etc.: National Conference on Translational Advances in Genomics and Molecular Science.**
- 3. Duration / Period of the organized event: TWO DAYS, 05th & 06th December 2025**
- 4. Grant Sanctioned: Rs. 2,50,000/- (Two Lakh Fifty Thousand only)**
- 5. Summary of the event (Max. 1000 Words):**

We had applied this proposal for the National Conference under the scheme of ‘Seminar/Symposia’ of ANRF, DST, Govt. of India and our proposal was accepted (File No: SSY/2025000334) and we have received the funding amount Rs. 2,50,000 (Two Lakhs fifty thousand) to conduct the event entitled **NATIONAL CONFERENCE ON “TRANSLATIONAL ADVANCES IN GENOMICS AND MOLECULAR SCIENCE” (NCTAGMS- 2025)** on 5th and 6th of December 2025 in our university.

The core objective of the conference was to provide a common platform for researchers, scientists, academicians, industry experts, and students to exchange innovative ideas, discuss recent advances in genomics and molecular biology, and promote interdisciplinary research. The event aimed at nurturing young minds and inspiring them to pursue cutting-edge research in frontier areas of life sciences. With this vision, leading experts from reputed institutions and national research organizations were invited as keynote speakers and resource persons to enrich the academic dialogue.

To ensure smooth execution of all activities, multiple committees were formed well in advance, and a mock drill was conducted before the event. Wide publicity and dissemination of information were made through university websites, social media platforms such as Facebook, Twitter, LinkedIn, WhatsApp groups, and through brochures, flyers, and emails sent to various institutions across India. Proper accommodation, hospitality, and transportation facilities were arranged for all dignitaries, keynote speakers, and delegates. Essential printed materials including badges, certificates, book of abstracts, brochures, kit bags, and stationery were prepared in advance. Flyers were displayed at strategic locations within and outside the campus for maximum visibility. The conference proceedings are summarized below.

Day 1: 05 December 2025

The first day of the conference began with participant registration from 8:30 AM to 10:00 AM. The inaugural program started at 10:00 AM with the Lighting of the Lamp, symbolizing the beginning of an enlightening academic event. This was followed by welcome and address speeches by distinguished dignitaries, including the Convener Dr. Gagan Kumar Panigrahi, the Vice Chancellor Prof. (Dr) Supriya Pattanayak, Pro-Vice Chancellors Prof. (Dr) Biswajit Mishra and Prof. (Dr) Ajay Kumar Nayak, the Director of the School of Applied Sciences Prof. (Dr) Susanta Kumar Biswal, and the President of CUTM, Prof. (Dr) Mukti Kanta Mishra. The Vice President Prof. D. N. Rao also addressed the gathering. The Chief Guest, Dr. Debasis Dash, Director, BRIC-Institute of Life Sciences, Bhubaneswar, delivered an insightful inaugural talk emphasizing the translational potential of genomics in modern biological research. This was followed by the address of the Guest of Honor, Dr. Sasikanta Dash, Deputy Director, DST, Govt. of Odisha. Subsequently, the *Book of Abstracts* was released, and the Organizing Secretary, Dr. Sunita Satapathy, delivered the Vote of Thanks, marking the formal conclusion of the inaugural ceremony. After a short tea break, the Keynote Lecture I was delivered by Prof. (Dr) Mahitosh Mandal from IIT Kharagpur, who provided deep insights into translational medical technology. The first technical session, chaired by him, included three invited lectures by eminent speakers: Prof. (Dr) Samir Kumar Patra (NIT Rourkela), Dr. Dileep Vasudevan (BRIC-RGCB Kerala), and Dr. Rajeeb Kumar Swain (ILS Bhubaneswar). They discussed advanced molecular techniques, disease biology, and emerging biotechnology platforms.

After lunch, Technical Session II began under the chairmanship of Dr. Dileep Vasudevan. Six invited lectures were delivered by leading scientists including Dr. Manoranjan Ranjit (ICMR-RMRC), Dr. Ganesh Chauhan (RIMS Ranchi), Dr. Senthil Muthappa (NIPGR), Dr. Santosh Kumar (CSIR-CCMB), Mr. Dushyant Singh Baghel (Nucleome Informatics Pvt. Ltd.), and Dr. Prasanta Kumar Maiti (ABGENEX Pvt. Ltd.). The speakers highlighted their research in plant genomics, microbial genetics, molecular diagnostics, and biotechnology entrepreneurship. The post-lunch sessions generated active interactions, where participants engaged in fruitful discussions during question-answer segments. The day concluded with high tea followed by a vibrant cultural program organized by students, which was highly appreciated by the guests. Dinner was arranged thereafter, and speakers were escorted to their respective accommodations.

Day 2: 06 December 2025

The second day commenced at 10:00 AM with Technical Session III, chaired by Dr. Ganesh Chauhan. The session began with an invited lecture by Dr. Sonil Nanda, Dalhousie University, Canada, who delivered an enriching talk linking genomics with agricultural and environmental biotechnology. A tea break followed. Thereafter, oral presentations were conducted wherein Ph.D. scholars and postgraduate students presented their research findings. This session enabled participants to receive valuable inputs and suggestions from experts. Poster presentations were

conducted from 12:30 to 1:30 PM, providing a platform for young researchers to showcase their studies and interact directly with faculty and scientists.

After the lunch break, Technical Session IV began, chaired by Dr. Rajeeb Kumar Swain. Two invited lectures were delivered by Dr. Tushar Kanta Beuria (ILS Bhubaneswar) and Dr. Trupti Das (CSIR-IMMT). The speakers discussed recent breakthroughs in cellular mechanisms, genomic regulation, and applied molecular science. The academic activities culminated with Keynote Lecture II delivered by Padma Shri Prof. (Dr) Aditya Prasad Dash, President, National Academy of Vector Borne Diseases and Former Vice-Chancellor, CUTN, who emphasized the importance of genomics in combating vector-borne diseases and its translational relevance in public health.

The valedictory ceremony began with concluding remarks by the Vice Chancellor Prof. (Dr) Supriya Pattanayak, followed by the Pro-Vice Chancellors Prof. (Dr) Biswajit Mishra and Dr. Ajay Kumar Nayak. The Co-Convener Prof. (Dr) Yashaswi Nayak also addressed the gathering. An award ceremony was organized to felicitate the best oral and poster presenters. The Vote of Thanks was delivered by the Co-Convener Prof. (Dr) Siba Prasad Parida, acknowledging the cooperation and contribution of all committee members, faculty, students, and participants. The conference concluded with high tea.

Overall, the two-day National Conference featured **2 keynote lectures and 12 invited lectures**, along with oral and poster sessions. The event successfully facilitated knowledge exchange, collaboration, networking, and motivation for young researchers. All participants and experts expressed satisfaction regarding the organization, hospitality, and academic value of the conference and recommended conducting more such theme-based events to strengthen research and innovation culture in the university.

Technical Program Details

DAY 1: 05.12.2025

Time	Session
8:30 – 10:00 AM	Registration
10:00 – 10:10 AM	Lighting of the Lamp
10:10 – 10:12 AM	Address by Convener, Dr Gagan Kumar Panigrahi Associate Dean, School of Applied Sciences Centurion University of Technology and Management, Odisha
10:12 – 10:15 AM	Address by Prof. (Dr) Supriya Pattanayak Vice Chancellor Centurion University of Technology and Management, Odisha
10:15 – 10:18 AM	Address by Prof. (Dr) Biswajit Mishra Pro-Vice Chancellor (Academics) Centurion University of Technology and Management, Odisha
10:18 – 10:21 AM	Address by Prof. (Dr) Ajay Kumar Nayak Pro-Vice Chancellor (Administration) Centurion University of Technology and Management, Odisha
10:21 – 10:23 AM	Address by Prof. (Dr) Susanta Kumar Biswal Director, School of Applied Sciences Centurion University of Technology and Management, Odisha
10:23 – 10:30 AM	Address by Prof. (Dr) Mukti Kanta Mishra President Centurion University of Technology and Management, Odisha
10:30 – 10:35 AM	Address by Prof. D N Rao Vice President Centurion University of Technology and Management, Odisha
10:35 – 10:50 AM	Address by Chief Guest Dr Debasis Dash Director BRIC-Institute of Life Sciences (ILS), Bhubaneswar, Odisha

10:50 – 11:05 AM	Address by Guest of Honor Dr Sasikanta Dash Deputy Director Department of Science and Technology, Govt. of Odisha
11:05 – 11:10 AM	Release of “Book of Abstracts”
11:10 – 11:15 AM	Vote of Thanks by Organizing secretary Dr Sunita Satapathy Associate Professor Head, Department of Zoology Centurion University of Technology and Management, Odisha
11:15 – 11:30 AM	Tea Break
11:30 – 12:00 PM	Keynote Lecture I – Prof. (Dr) Mahitosh Mandal Chairman, School of Medical Science and Technology Indian Institute of Technology (IIT), Kharagpur
Technical Session I	
Chair: Prof. (Dr) Mahitosh Mandal, Chairman, School of Medical Science and Technology, Indian Institute of Technology (IIT), Kharagpur Rapporteur: Dr Bikash Ranjan Sahu, Assistant Professor, Department of Zoology, School of Applied Sciences, Centurion University of Technology and Management, Odisha	
12:00 – 12:30 PM	Invited Lecture I – Prof. (Dr) Samir Kumar Patra Professor, Department of Life Science, National Institute of Technology (NIT), Rourkela, Odisha
12:30 – 1:00 PM	Invited Lecture II – Dr Dileep Vasudevan Scientist F, BRIC- Rajiv Gandhi Centre for Biotechnology (RGCB), Kerala, India
1:00 – 1:30 PM	Invited Lecture III – Dr Rajeeb Kumar Swain Scientist F, BRIC-Institute of Life Sciences (ILS), Bhubaneswar, Odisha
1:30 – 2:30 PM	Lunch
Technical Session II	
Chair: Dr Dileep Vasudevan, Scientist F, BRIC- Rajiv Gandhi Centre for Biotechnology (RGCB), Kerala, India Rapporteur: Dr Gagan Kumar Panigrahi, Associate Professor, Department of Zoology, School of Applied Sciences, Centurion University of Technology and Management, Odisha	
2:30 – 2:55 PM	Invited Lecture IV – Dr Manoranjan Ranjit Scientist-G (Retd.) Regional Medical Research Centre (RMRC), ICMR, Bhubaneswar, Odisha
2:55 – 3:20 PM	Invited Lecture V – Dr Ganesh Chauhan Associate Professor Department of Genetics & Genomics Rajendra Institute of Medical Sciences (RIMS), Ranchi, India
3:20 – 3:45 PM	Invited Lecture VI – Dr Senthil Muthappa Scientist V, BRIC-National Institute of Plant Genome Research (NIPGR) New Delhi, India
3:45 – 4:10 PM	Invited Lecture VIII – Dushyant Singh Baghel Founder and CEO of Nucleome Informatics Pvt Ltd, Mumbai, India
4:10 – 4:35 PM	Invited Lecture IX – Dr Prasanta Kumar Maiti Director, R&D, ABGENEX Pvt. Ltd, Odisha, India
4:35 – 5:00 PM	Visit to Pollinators Paradise

5:00 – 5:30 PM	High Tea
5:30 – 7:30 PM	Cultural Program
7:30 PM onwards	Dinner

Technical Program Details

DAY 2: 06.12.2025

Technical Session III	
Chair: Prof. (Dr) Samir Kumar Patra, Professor, Department of Life Science, National Institute of Technology (NIT), Rourkela, Odisha Rapporteur: Dr Shraban Kumar Sahoo, Assistant Professor, Department of Chemistry, School of Applied Sciences, Centurion University of Technology and Management, Odisha	
Time	Session
10:00 – 10:30 AM	Invited Lecture I – Dr Sonil Nanda Assistant Professor and Canada Research Chair Faculty of Agriculture Dalhousie University, Canada
10:30 – 11:00 AM	Invited Lecture VII –Dr Santosh Kumar Principal Scientist CSIR-Centre for Cellular & Molecular Biology (CCMB), Hyderabad, India
11:00 – 11:15 AM	Tea Break
11:15 – 12:30 PM	Oral Presentations
12:30 – 01:00 PM	Poster Presentations
1:30 – 2:30 PM	Lunch Break
Technical Session IV	
Chair: Dr Ganesh Chauhan, Associate Professor, Department of Genetics & Genomics Rajendra Institute of Medical Sciences (RIMS), Ranchi, India Rapporteur: Dr Pradip Kumar Prusty, Associate Professor, Department of Zoology, School of Applied Sciences, Centurion University of Technology and Management, Odisha	
2:30 – 3:00 PM	Invited Lecture II – Dr Tushar Kanta Beuria Scientist F, Institute of Life Sciences (ILS), Bhubaneswar, Odisha
3:00 – 3:30 PM	Invited Lecture III – Dr Trupti Das Chief Scientist and Chair Person, HRD CSIR-Institute of Minerals and Materials Technology (IMMT) Bhubaneswar, Odisha
3:30 – 4:00 PM	Keynote Lecture II – Padma Shree Prof. (Dr) Aditya Prasad Dash President, National Academy of Vector Borne Diseases Former Vice-Chancellor, Central University of Tamil Nadu
Valedictory Ceremony	
4:00 – 4:05 PM	Address by Prof. (Dr) Supriya Pattanayak Vice Chancellor Centurion University of Technology and Management, Odisha
4:05 – 4:10 PM	Address by Prof. (Dr) Biswajit Mishra Pro-Vice Chancellor (Academics) Centurion University of Technology and Management, Odisha Centurion University of Technology and Management, Odisha
4:10 – 4:15 PM	Address by Dr Ajay Kumar Nayak Pro-Vice Chancellor (Administration) Centurion University of Technology and Management, Odisha Centurion University of Technology and Management, Odisha
4:15 – 4:20 PM	Address by Co-Convener Prof. (Dr) Yashaswi Nayak Professor, Department of Zoology

	Centurion University of Technology and Management, Odisha
4:20 – 4:30 PM	Award Ceremony
4:30 – 4:35 PM	Vote of Thanks by Co-Convener Prof. (Dr) Siba Prasad Parida Professor, Department of Zoology Centurion University of Technology and Management, Odisha
4:35 – 5:00 PM	High Tea

In total, **more than 250 participants** attended the National Conference, including M.Sc. students, Ph.D. scholars, faculty members, scientists, and industry-linked professionals, making the event highly interactive and academically vibrant. All registered participants were provided with conference kit bags containing notepads, pens, the detailed technical agenda, and other essential materials. To ensure wide visibility, various electronic media representatives were invited, and frequent updates, photographs, and video clips of the event from the inaugural session to the valedictory were telecast on local television channels. Additionally, the event received extensive coverage in multiple regional and national newspapers, highlighting the importance and success of the conference. Participation certificates were awarded to all attendees of the two-day program, acknowledging their contribution and involvement.

A dedicated support team was engaged to ensure smooth facilitation of all essential services, including sound and lighting arrangements, multimedia support, videography, photography, uninterrupted power supply, campus cleanliness, venue decoration, food and catering arrangements, transportation, guesthouse hospitality, stage management, and drinking water supply. The collaborative effort of the organizing committee and support staff ensured that the entire event proceeded seamlessly as per the planned schedule. The university administration extended full support at every stage, which played a crucial role in the successful execution of this conference.

It is important to mention that the total expenditure for hosting the conference exceeded the available internal budget. The university generously bore the additional amount, ensuring that the quality of the program was not compromised in any way. The event proved to be meaningful, impactful, and highly enriching, which was well appreciated by the invited speakers, dignitaries, delegates, students, and research scholars. In their feedback, many participants expressed that such conferences should continue to be organized in the future with support from national funding agencies, as they significantly contribute to academic growth, research exposure, innovation, and scientific networking. The program particularly benefited students from remote regions by providing them direct interaction with experts and exposure to advanced research developments.

As the Convener of this National Conference, I truly feel privileged, enlightened, and proud that the objectives of the event were effectively fulfilled. The two-day program concluded with valuable experiences, scientific exchanges, meaningful discussions, collaborations, and cherished memories for everyone involved. We wholeheartedly express our sincere gratitude to the funding agency for their encouragement and constant support. We remain thankful to all dignitaries, experts, participants, and the university management whose contributions were instrumental in making this

conference a grand success. Finally, we look forward to continued support in the future for organizing similar academic events that foster scientific excellence and research advancement in the field of genomics and molecular science.

CONVENER

Dr Gagan Kumar Panigrahi

Convener, NCTAGMS-2025

Associate Dean (School of Applied Sciences)

Associate Professor

Department of Zoology
