In Association with

IEEE Student Branch, CUTM, IEEE Bhubaneswar Section

CAMPUSES: Paralakhemundi | Bhubaneswar | Rayagada | Balangir | Balasore | Chatrapur

Session :

Cloud Computing and The Future of IT

Deliberation on the Session:

At first Prof. Jagannath Padhi (Director, CUTM) and Dr. Biswajit Mishra (Pro VC (Academics), CUTM) shared their thoughts before the expert talk began. Then Dr. Ashwini Kr. Raj explained the transformative role of cloud computing in enabling scalability, innovation, and cost-efficiency. He elaborated on service models like **IaaS, PaaS, and SaaS**, and discussed emerging trends such as **multi-cloud strategies, edge computing, and AI-driven platforms**. Emphasizing the demand for skills like cloud architecture and cybersecurity, he encouraged continuous learning to stay competitive in the IT field. The session concluded with an interactive Q&A, where Dr. Ashwini offered practical advice on certifications and career growth. His motivational insights left a lasting impact on all attendees.

Glimpses of the Session:
