**Centurion University of Technology and Management,
Odisha, India**

Introduction :

The **IEEE Bhubaneswar Section Inauguration** was held at KIIT Deemed to be University (**KIIT DU**) on **25th January 2025**, from **3:00 PM onwards**. This event marked a significant milestone in fostering IEEE's presence in the region, providing students and professionals with opportunities for **learning, networking, and professional growth**. The inauguration featured insightful sessions on technological advancements, research prospects, and the role of IEEE in shaping future engineers and innovators. Students from the **IEEE Student Branch** of Centurion University of Technology and Management (**CUTM**) attended the event, along with faculty members who had taken IEEE membership. The total number of student **attendees** was **50**, accompanied by faculty members. The event provided an excellent platform for students to interact with IEEE professionals and **gain exposure** to the broader IEEE community.

Objectives :

- To introduce students to the IEEE Bhubaneswar Section and its significance.
- To provide insights into IEEE's role in advancing technology and research.
- To encourage student participation in IEEE activities, networking, and professional development.
- To facilitate interaction between students, faculty, and IEEE professionals.

Key Outcomes :

- **Knowledge Gained:** Students learned about IEEE's mission, vision, and contributions to the field of technology and research.
- **Networking Exposure:** Interaction with IEEE professionals and faculty members helped students expand their academic and professional connections.
- **Career Insights:** The event highlighted the benefits of IEEE membership and career opportunities in engineering and research fields.

- **Encouragement for Participation:** Students were motivated to take part in IEEE initiatives, conferences, and research activities.
- **Faculty Involvement:** Faculty members gained insights into the benefits of IEEE membership for academic and professional growth.

Feedback from Participants:

Students found the event **highly informative** and **engaging**. They appreciated the discussions on IEEE's global impact and the opportunities available for students through IEEE programs and initiatives. Many expressed interest in actively participating in upcoming IEEE events and research projects. Faculty members also found the sessions beneficial, particularly in understanding how IEEE membership can **enhance** their **academic** and **research capabilities**. The event successfully encouraged greater **collaboration between students and professionals**, fostering a strong IEEE community in the region. Suggestions were made to organize more interactive workshops and technical sessions as part of future IEEE events, ensuring **deeper engagement** and **practical learning experiences**.
