## Introduction :

Centurion University of Technology and Management (CUTM), through its **Coding Club**, School of Engineering and Technology (SoET), Bhubaneswar, in collaboration with **IEEE Computer Society in India** and **IEEE Student Branch, CUTM**, successfully hosted "**SPARKLECODE Projectthon 2025**" on **23<sup>rd</sup> April 2025** at Room No. 404, Aryabhata Building, Bhubaneswar Campus. The event provided an exciting platform for students to develop and present innovative projects based on **Swing** and **JDBC technologies**. The event encouraged practical learning, collaboration, and technical creativity among the participants. The event witnessed **active participation** from students, creating an energetic and competitive environment.

## Deliberation of the Event :

The event commenced with a warm welcome address that set a highly **enthusiastic** and **positive** tone for the entire day's proceedings. Esteemed dignitaries gracing the occasion included **Dr. Anita Patra**, Registrar, CUTM, **Prof. Jagannath Padhi**, Director, CUTM, **Prof.(Dr.) Sujata Chakravarty**, Dean, SoET, CUTM, and **Mr. Rakesh Kumar Ray**, Assistant Professor and HoD (MCA & BCA). The event was from **10:00 AM** in the morning till **5:00 PM** in the evening, maintaining a lively and vibrant atmosphere throughout. Students **worked rigorously** and **passionately** on their projects, channeling their technical expertise, creativity, and collaborative spirit.

Throughout the day, participants remained deeply focused on **designing, developing, and executing** their innovative ideas into practical working models. Each project submission was evaluated by the judges based on **creativity, functionality, originality, and technical execution**. Following a comprehensive assessment and detailed evaluation, the winners were announced amid much excitement and applause, celebrating the **hard work, innovation, and dedication** demonstrated by the teams.

## Highlights of the Event :

- **Enthusiastic Launch:** Energetic opening that inspired participants for a full day of coding and learning.
- **Expert Presence:** Dignitaries motivated and encouraged the students with their insightful words.
- **Project Development:** Students actively engaged in creating and refining their technical projects.
- **Recognition of Talent:** Outstanding performers were celebrated and awarded for their project excellence.

## Outcomes of the Event :

- **Technical Skill Enhancement:** Participants gained hands-on experience in Swing and JDBC technologies.
- **Practical Learning:** Students applied their coding knowledge to real-world project development.
- **Innovation Boost:** Creative project ideas and solutions emerged through teamwork and innovation.
- **Evaluation Experience:** Students received constructive feedback from faculty and evaluators.
- **Increased Confidence:** The recognition and support boosted students' confidence and motivation.
- **Collaborative Spirit:** Team-based learning fostered collaboration and knowledge sharing among peers.

## Feedback from Participants :

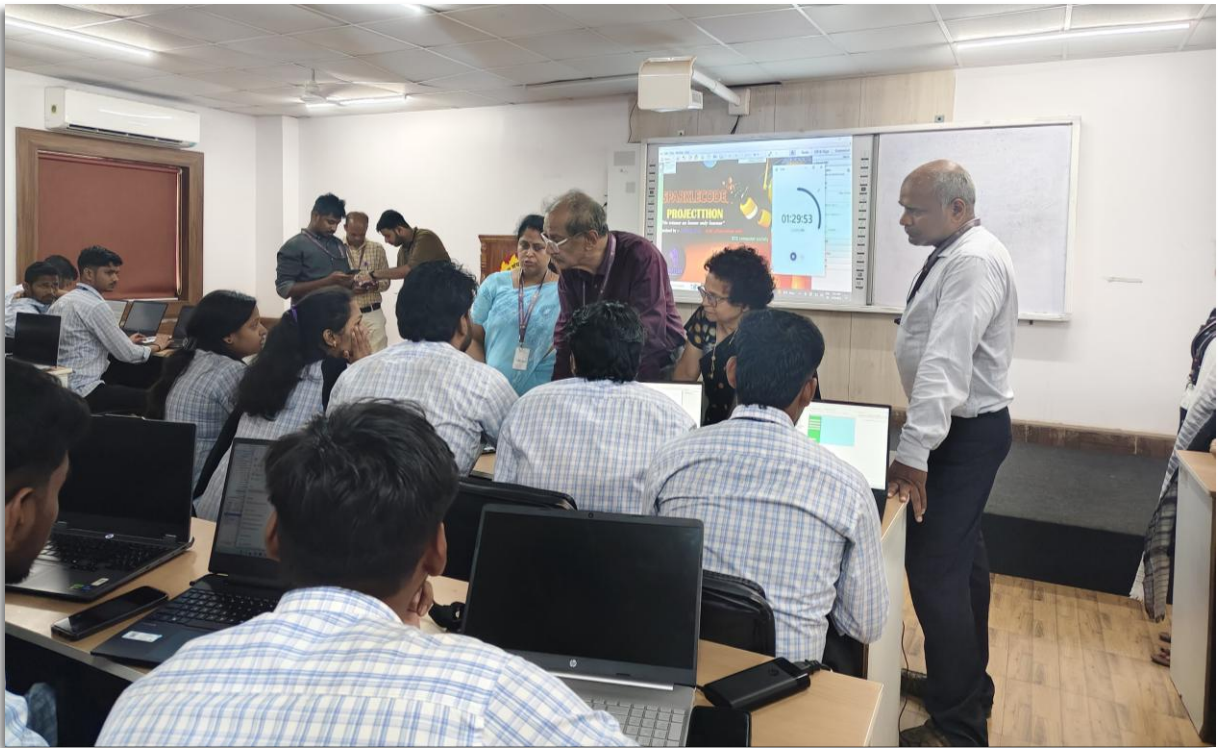

Both students and faculty members found the event **highly informative** and **innovative**. Students expressed that participating in a **real-time project development** challenge strengthened their technical abilities and critical thinking skills. Faculty members appreciated the **coding enthusiasm** displayed by the students and praised the event's focus on practical **skill-building**. The overall environment was energetic, collaborative, and filled with the spirit of learning.

## Acknowledgements :

We are very grateful to **Coding Club, SoET** for hosting such a valuable and inspiring event. A special thank is due to **Dr. Anita Patra, Prof. Jagannath Padhi, Prof.(Dr.) Sujata Chakravarty**, and **Mr. Rakesh Kumar Ray** for their esteemed presence, guidance, and encouragement. We also extend our heartfelt appreciation to the **faculty mentors, staff, and students** who contributed to making the "**SPARKLECODE Projectthon 2025**" a tremendous **success**. We eagerly look forward to more such enriching and innovative events in the future.
