"Utkarsh Odisha Make in Odisha 2025"

Date : 28th - 29th January, 2025

Centurion
UNIVERSITY

Shaping Lives...
Empowering Communities...

**Centurion University of Technology and Management,
Odisha, India**

Introduction :

The **Utkarsh Odisha – Make in Odisha Conclave 2025** is the premier investment forum in East India, aimed at driving economic growth and establishing Odisha as a globally competitive investment hub. This high-profile event attracted both domestic and international investors, emphasizing **Odisha's industrial strengths, strategic advantages, and potential for growth**. The conclave was held in **Bhubaneswar** on **28th and 29th January 2025**, featuring a dynamic two-day agenda with plenary sessions, sectoral discussions, and networking opportunities. The event brought together industry leaders, policymakers, and investors to foster collaboration and explore investment avenues. Students from the School of Engineering and Technology (**SoET**), Centurion University of Technology and Management (**CUTM**) attended the event, accompanied by faculty members. The total number of student **attendees** was approximately **58**. The conclave provided students with invaluable insights into industrial advancements, economic policies, and global investment trends.

Objectives :

- To expose students to Odisha's growing industrial ecosystem and investment potential.
- To help students understand policy frameworks and strategies for industrial development.
- To encourage networking with industry leaders, policymakers, and investors.
- To inspire students to explore career & entrepreneurial opportunities in the industrial sector.

Key Outcomes :

- **Industrial Awareness:** Students gained insights into Odisha's economic policies, industrial infrastructure, and investment prospects.
- **Networking Exposure:** Opportunities to interact with policymakers, business leaders, and investors broadened students' professional outlook.
- **Entrepreneurial Motivation:** Exposure to industry success stories and investment discussions inspired students to explore entrepreneurship.

- **Practical Learning:** The event provided real-world perspectives on economic growth, business strategies, and global trade.
- **Future Aspirations:** Many students expressed interest in participating in future business forums and industrial projects.

Feedback from Participants:

Students found the event **highly educational** and **insightful**, appreciating the exposure to Odisha's economic development and industrial transformation. Many were particularly interested in discussions on **emerging sectors, investment strategies, and job opportunities** in the state. Faculty members noted that the conclave provided a valuable platform for students to engage with industry experts and policymakers. They suggested organizing **more such industry-centric visits to help students** bridge the gap between academics and real-world industry trends. Students also recommended including more interactive sessions, mentorship programs, and internship opportunities in **future editions** of the event to **enhance learning and career prospects**.
